**Knowledge Begins Where Believing Stops**

Many pains and aches are due to a wrenched Spine or Skeleton.

Don't tell the doctor where you are suffering. As a Spinologist he is trained to locate your weakness. Let him tell you.

A straight Chiropractor is one who adjusts the spine with his hands.

Dr. Breittling is both a straight Chiropractor and Spinologist, having had 15 years of active practice in Portland, Ore., and thousands patients to his credit. He is an able man.
