Knowledge Begins Where Believing Stops

Many pains and aches are due to a wrenched Spine or Skeleton.

Don't tell the doctor where you are suffering. As a Spinologist he is trained to locate your weakness. Let him tell you.

A straight Chiropractor is one who adjusts the spine with his hands.

Dr. Breitling is both a straight Chiropractor and Spinologist, having had 15 years of active practice in Portland, Ore., and thousands patients to his credit. He is an able man.

The New Year promises to be the best and busiest year the Nehalem Valley, Columbia County and Vernonia ever experienced. Building in Vernonia has not let up any on account of winter, and the spring will see the construction of hundreds of buildings in our city. The new mill will employ hundreds of men in addition to those they have now, and new enterprises are promised for our midst. The municipal water system and the new Hydroelectric plant will furnish work for quite a few. Yes, 1923 will start with a very encouraging appearance for Vernonia and every indication is that the year will improve with age. A prosperous New Year for Vernonia.

Quality Counts

In workmanship, as well as in material. We use the best of Paints, and fully guarantee all our work.

Dale & Enos

A Federal officer may happen in Vernonia some day in the sweet by and by. Booze makers and peddlers are getting as high as five years in some places.

Fatty Arbuckle has been reinstated as an actor. A great many of the better theatres will bar him, however.

A strip of the Pacific highway nine feet wide has been completed between Canyonville and Galesville in Douglas county, according to information received at the offices of the state highway department.

Provided the governor-elect and the legislature guarantee their action will be legalized, the state highway commission will take up on December 29 the building of the Columbia highway through the burned area of Astoria. This and the approach to the city will amount to about \$250,000.

There were 67 fires in the Crater national forest during the last season according to the report of Hugh B. Rankin, supervisor of that forest. The cost to the forest service of suppressing these fires was \$7046.18, and the damage to timber inside of the national forest was \$1057.31.

George William of Haines was found guilty at Baker of manslaughter by a jury in circuit court which heard evidence bearing on the first-degree murder charge of the prisoner growing out of his confessed slaying last summer of Tom Paine, a recluse living in a small cabin in the hills west of Haines.

Olcott is making an ass of himself, and trying to make one of the state.

Schools are out for the Christmas vacation. Vernonia schools are giving a program today.

A Christmas program will be given at the church Sunday evening. The Christmas Spirit will prevail, and a large crowd will be present. The children will enjoy the evening and perhaps Santa will be present.

Your Christmas Room

By **MARTHA B. THOMAS**
 (©, 1922, Western Newspaper Union.)

THERE is always a place to which one may flee in time of need. That place is the inside of our own heads! Provided, of course, that the inside of our own heads is properly furnished with imagination and that the key is not rusted in the lock from long disuse. If you are a little lonely on Christmas eve, or a little unhappy, or a little anything that tends to tarnish the glow of the season, why not climb up to that place inside your head, rattle the lock, be quite firm with the key no matter how stubborn it is, then enter into what joy you may summon by your thoughts?

Glad wishes for friends are the green wreaths we may hang in the windows of our Christmas room.

Hopes for another year are the candles we light on the table.

New plans are the fruit to deck the board, and very likely there will be a guest or so to share them.

Think of the Fire of Purpose you may light on your hearth!

Think of the glow and warmth it will cast over you!

Think of the castles and dreams you crowded out of your heart because you were too busy; the fine, adventurous ones; the funny ones you have laughed over all to yourself; the shy ones you would not reveal to a soul at any price. Call them all back and see what a splendid set of inspirations they are. You'll feel like a new person.

And don't forget to put a present on the Tree of Faith for yourself; something you've wanted all your life. If you can't have it this year, waiting will make it more precious; and if you can (oh, think of that!) you'll be all the better prepared.

Do spend a little time in your Christmas room!
