A FEW SUGGESTIONS FOR BOOSTING YOUR TOWN

If you spend all that you earn, some
other fellow is banking your money.
Many a young man goes away to
seek his fortune when fortune is seek-
ing for him at home.
Plaster your house and everybody
will follow your example. Lath and
the world laths with you.
You've got to be a citizen in order
to vote; but you've got to do a great
deal more than vote to be a good citi-
zen.

The big things were not all done in
the big towns. The greatest poem
in the English language was written
in a country graveyard.
There is only one better man than
the man who gets behind and pushes
in an effort to improve the town.
And that's the man who goes ahead
and pulls.
Good, well-kept roads tributary to
any town are of inestimable value.
Our business men should be alive to
this fact. If the roads tributary to
our town don't get the proper amount
of care and improvement each year,
make it your individual business to
find out the cause of the neglect.

The person who stands on the street
corner looking around for something
to gossip about or to find fault with
can always find what he is looking
for. But what a life he lives. His
soul shrivels and withers until it is
shown in his manner and looks. For
such a person life has lost its savor.
It becomes sour, misanthropic, whiney.
He passes from bad to worse and
sees no good in anybody or anything.
His taxes are too high, no matter how
low they may be, and he curses his
neighbor because his neighbor is prosper-
ous and enjoys life. In fact he
hates himself, is a menace to a town's
prosperity, a foe to God and no good
to the devil. These persons seem to
be a necessary evil in every town and
the great question is what to do with
them, or how to cure their baffling
disease that is such an impediment
to the march of progress.

EAGLE SCREAMS

Better loose your pocket book
than your pride. Loose your
pride and you'll soon have no
pocket book.

They are finding everything
in the tomb of Pharaoh Tut-Ankh-
Amen, except Moonshine and
Fords.

New law would call for appli-
cants for marriage licenses to
undergo examinations for Mental
fitness, etc. Desiring to marry
is not always a sign of feeble
mindedness.

the rest of us will soon have
another birthday.

Knowledge Begins Where Believing Stops

Many pains and aches are due to a
wrenched Spine or Skeleton.
Don't tell the doctor where you are
suffering. As a Spinologist he is trained
to locate your weakness. Let him
tell you.

A straight Chiropractor is one who
adjusts the spine with his hands.

Dr. Breitling is both a straight Chiro-
practor and Spinologist, having had
15 years of active practice in Portland,
Ore., and thousands patients to
his credit. He is an able man.
