Mrs. Laura Ross

Commercial Club met Wednesday night. The bard rendered some fine music, and a male quartet was well liked. M. J. Duryea, of State Chamber, was the principal speaker, and spoke from Acts 2:27. He said that the word "Community" has nine letters in it, and if one takes out the "Unity" they have less than half left. That Co-operation and Organization were the two most used words in the language of business and success. That the "Five P's", Pride, Pep, Push, make for Progress and Prosperity."—Warrenton News.

Mrs. L. H. Detrow is a cripple this week, while working in the store, she bruised her right limb against the edge of the counter, and she has been suffering great pain ever since. It is possible that she will go to the hospital for treatment.

AT LAST!

The Motion Picture

Sensation of the Century

At the Opening of

Vernonia's New Theatre

Bestrides the Show World like a Colossus. The most stupendous exhibition of twentieth century realism ever flung upon the screen.

A colossal drama of the heart and soul of America that glorifies and immortalizes the firemen of the nation and their loyal wives, sons and daughters.

Its very flames will burn an everlasting impress upon your soul.

SEE

The old fireman's devotion to his duty and loved ones!

The mother's undying courage in the face of adversity!

The son's dauntless spirit and loyalty to his parents.

The golden hours of the kiddies at play in the fire yard.

The first cruel blow at the discarded veteran's heart.

The great fire scenes with countless jolts and tremors.

The mad dash of the fire hoses through the teeming city streets.

The first thin wisps of smoke—harbingers of death and destruction.

The frantic rush of occupants to escape the onslaught of the flames.

The inferno with the flames leaping toward the star-lit heavens.

Bring the wife!
Bring the kids!
Bring your best girl!

Bring grandma and grandpa; bring the whole family!

If the lamented Mr. Barnum could have had this show he would have thrown away his circus and put the "Third Alarm" in a tent.

SEE

The crash of the great safe—the peril of the lovers trapped 'mid the flames.

The great heroism of Dan McDowell in the vital moment of his life.

The brave fire horse dash through the wall of fire with old Dan on his back.

The thrilling rescue on the swaying scaling ladder while hundreds look on.

The frantic father pleading while his daughter faces death in the fire.

The gratitude of the surgeon for the rescue of his beautiful daughter.

The happiness of the old veteran, as he sees his old equine pals turned to pasture.

The peace and contentment of the little family as God smiles down His bountiful blessing.
