Starting July 1, all operators of motor vehicles which are subject to the provisions of the automotive transportation act of 1921 will be required to keep a detailed account of their activities and file a report of the same with the public service commission.

The Oregon supreme court has issued an order restraining the directors of the Union high school district at Hermiston, Umatilla county, from spending any of the district funds until the court determines whether the consolidation was brought about in compliance with the laws.

The first of four ocean-going log rafts to be dispatched this summer by the Benson Lumber company to its mill at San Diego left the Columbia river in tow of the Puget sound tug Humacanna, assisted by the Oneonta. The raft contains 6,000,000 feet of logs and a deckload of telephone poles.

The third and final survey of cost of wheat production in Sherman county has been begun by the United States department of agriculture and the state college experiment station and extension service. Reports will be published as soon as analyzed and tabulated, to enable growers to profit by the information obtained.

Work of securing the trout egg supply for Oregon is now at its height in many parts of the state and the outlook is that Oregon will have the largest brood this year of any state in the union, according to a report of A. E. Burghdoff, state game warden. Approximately 39 million eggs will be placed in hatcheries of the state.

A certificate of award has been sent by J. A. Churchill, state superintendent of schools, to every boy and girl in Oregon outside of Portland who has not been absent or tardy during the past school year. Reports show that 5201 public school pupils have earned these certificates. Marion county leads with 396, while Jackson county is second with a total of 253.

The bureau of public roads has let the contract to the Warren Construction company for the building of the Roosevelt highway between Devil's lake and Siletz bay in Lincoln county, the contract price being more than \$200,000. This will complete the Roosevelt highway from Tillamook county to Siletz bay and there is a section of but a few miles to be built to reach Newport.

The Oregon experiment station work on poultry breeding is not only the best in the United States, but also in the world, was the judgment expressed by T. R. Robinson, honorary secretary of National Utility Poultry society of England, and Percy A. Francis, commissioner of poultry for the British ministry of agriculture, after a visit to the Oregon Agricultural college at Corvallis.

Sumner Houston of Bear Creek, near Prineville, covering the 160 miles from Bend to The Dalles in the fast time of 10 hours 34 minutes and 5 seconds and riding the string of Charles Houston, won the pony express race and the purse of \$700, which was held in connection with the State Elks' convention at The Dalles. Jimmy Taylor, riding the Jim Cram string, was second.

A tour through central and eastern Oregon will be made, beginning July 9, by representatives of the public service commission and others interested in the hearing to be held August 3 in Portland before the interstate commerce commission relative to railway extension and development in the eastern part of the state. The delegation will assist eastern Oregon people in assembling data for the hearing. The itinerary will be Klamath Falls, July 10 and 11; Lapine, July 12; Lakeview, July 14; Burns and vicinity, July 16, and Bend, July 18.
