**REGULAR STOCK CO.**

Sunday night the Majestic Players gave the first drama in a winter's series of popular plays at the Majestic Theatre. It was indeed an excellent production. The vaudeville numbers between the acts was away above the small town stuff. In Portland the whole city was proud at the splendid shows once put on by the famous Baker Stock Co. Well, the play and the acting here was as good as we have seen in the Baker. We understand that the plays will appear every two weeks, and Vernonia is glad. Manager Bush is to be congratulated, and Vernonia is in the big town circuit for this Oregon Stock Co., composed of excellent talent above par.

**VERNONIA WON A BALL GAME**

Last Sunday Vernonia won a ball game. It was the pitcher's game all the way through. Milton Creek were the visitors; they had a good bunch and some good players, but had no chance at all with the fast Vernonia players. Mr. Miller pitched for Vernonia, and threw a wicked curve. The score was 11 to a big round goose egg. The visitors only got three hits. Miller is a whirlwind.

**MEMORIAL**

Last Friday at 10:30 a. m. the church was crowded for the memorial ceremonies for the late President Harding. The bank of flowers at the pulpit were indeed beautiful, the singing was appropriate and the obituary and funeral sermon by Rev. Herrman was a good one that was followed with the closest attention by all present.

There are several of our subscribers, close friends, that have forgotten that their subscription has expired. They have neglected to renew. Some have notified us that they want the paper to continue, and would call and settle. This is proper. Please renew or notify us of your intentions this week so we will know whether to keep on sending the paper or not. It is most important. Thank you.

**CLATSOP RESIDENT FINED**

\$1000 FOR HAVING ELK MEAT

The heaviest fine ever assessed against a violator of the state game laws in Oregon was levied upon Paul Post of Swenson, Clatsop county, Thursday, according to a report reaching the headquarters of the state game commission Friday.

Post was arrested by district deputy wardens in Clatsop county on a charge of illegally possessing elk meat, and following a trial and conviction was fined \$1000.

The largest fine ever imposed under the game laws in this state previous to the Clatsop county case was \$750. This fine was issued because of illegal possession of deer meat.

*"Where did you buy such delicious ham?"*

**Frye's Delicious Ham**

*"Everything the name implies"*

FRYE'S DELICIOUS BACON is like FRYE'S DELICIOUS HAM—it's so mild in flavor—rich, juicy and tender.

When friends drop in to spend the evening it's pleasant to know that there is cold baked FRYE'S DELICIOUS HAM in the cooler, ready to slice and serve with a salad, or for sandwich-making

You're proud to serve such tender, delicious meat, and you're prouder still when your guests say: *"Where did you buy such delicious ham?"*

Only choice, young, grain-fed pork, scientifically cured and smoked, can be so mild and tender. The original FRYE PROCESS of curing and smoking preserves the fine, natural juices and develops the rich flavor.

The next time you buy ham ask for FRYE'S DELICIOUS—you will say it's the best ham you ever ate.
