"Haltom's" Calls for Help

There comes a time in almost every merchant's career when it is essential to raise ready cash—for to be long in merchandise and short in cash is no crime—and "Haltom's" admit they have too many goods on hand. Therefore starting Saturday, "Haltom's" the leading department store of Vernonia, will launch the greatest cut and slash sale on High Grade Goods that human eye has ever seen.

The name "Haltom's" means Quality in the home of every gentlewoman and gentleman in this section. You all know that this has been a backward season—that all merchants have been hard hit by the lack of winter weather—and the larger the store the bigger the stock that it is caught with.

Now take this tip from me—do not miss this sale, for a business, like a baby, has the measles only once in a while.

I thank you. G. W. Kelly.
