A trial before Recorder Owens last Monday drew quite a crowd. A gentleman by the name of Watt was arrested for being drunk, according to the evidence. And according to the evidence, he proved that he was not drunk in fact, the defendant swore he had not taken a drink on the day

of the arrest. Several witnesses were on the stand and all testimony was about the same. The defendant was found not guilty and the case dismissed.

Edwin Denby, Secretary of the Navy has resigned his high and exalted position. In the words of Cartoonist McReynolds: "Did he jump, was he pushed, or did he fall overboard?" At any rate he is no longer at the head of the Navy. Ill smelling petroleum in cases of leases on naval oil lands with gossip adrift made it unpleasant for Mr. Denby.

The three year old boy of Mr. and Mrs. L. J. Regan died Monday night of this week. Funeral was held at the house Wednesday and Mr. Cox accompanied the body back to Mississippi for burial in the family cemetery. Mr. and Mrs. Regan were unable to make the trip on account of their other children. They have the sympathy of the community in this bereavement.

Those present were the Mesdames Wharton, Ruhl, Atkins, Folger Campbell, Oright, Space, Harris, Miss Wharton and the hostess.

Lone Pine Acreage

Homes on one acre tracts are most desirable, and have been wanted near Vernonia for some time. The want has been fulfilled in a most satisfactory location less than a half mile from the center of town. Mr. Gustafson has divided his 75 acres into acre tracts. There is a good road on the east front of all the property facing along the river and the road on the west is the county road leaving Vernonia passed the J. Rose residence. The railroad also runs along the west line of the tracts. A great number of the tracts are cleared and in cultivation. None of them are hard clearing; all good soil, all level, and a sightly place, convenient to catch your mess of fish before breakfast. The splendid addition is known as "Lone Pine Acreage" and no doubt each tract will soon be spoken for. They go on sale tomorrow. For particulars call at the Vernonia Trading Co or see Mr. Tom Troop. Here is a convenient home site near business with plenty of room for a cow, chickens, a fine play ground all within walking distance.

H. VanBlaricom sold, last week, to Mrs. Lester a parcel of land in the East Side addition of his. Mrs. Lester, we understand, has a new residence about completed on the property and will build another nice house right away for renting purposes.

Mr. Jay is building a fine new home on the East Side.

The new residences on West Bridge street, First and Second avenues, west, are greatly improving that part of the city; pronounced by some as the best residence section of Vernonia, free from so much mud and water. Many of the new homes need painting, however.

Several dollars were saved by Vernonia people who read the Eagle ads last week.

Stump Acres Earn No Money

UNCLEARED land will "eat its head off" in taxes and in the loss of crops you could produce on it. Stumps don't earn anything—they're "squatters" and should be replaced with crops.

The lower cost of clearing land with Pacific Stumping is shown by the increase in the number of farmers in this neighborhood who are using it today. It shoots, sticks for stick, with any standard stumping powder, but you get one-half more sticks for your dollar. Pacific Stumping does the job right—more land cleared at less expense. And Pacific Stumping does not freeze or give a headache from handling.

We can give you complete explosives service. Our stocks include Pacific Stumping and other du Pont dynamites for use on the farm. Let us figure on your requirements.

High School News.

The Vernonia Basket Ball team reported a good game at Berkenfeld Tuesday night. Both boys and girls, were victorious, the girls winning 26-2 and the boys 32-21. After the game the students enjoyed a good time and a lunch.

The Basket Ball game with Scappoose Saturday night was quite interesting.

On the girls team Lena Gibson and Helen Brown were centers, Doris Akerstedt and Lillian Condit, guards; Lola Cline and Mildred Bergerson, forwards. The guards did splendid work and succeeded in keeping the Scappoose score down to 5, while the Vernonia score was 18.

Our boys did their best but Scappoose won by the score of 32 to 15. Miss Johnson of Astoria refereed the girls game.

The students of Vernonia high school have accepted the course in Salesmanship which is offered by the Curtis Publishing Co., of Philadelphia. The course, which has been adopted by a number of schools, was launched by Mr. Higgins, Vocational director for this district. Mr. Higgins delivered a very interesting lecture, explaining the ever increasing need for a knowledge of salesmanship, and followed his talk by a two-act play: "How Not to Sell" and "How to Sell."

Voters Can Now Register

Every man or woman who has been a resident of the State of Oregon for six months are entitled to vote in the coming fall elections, but in order that a man may vote he must register. To make it convenient for people in and near Vernonia to register Mr. Ben Owens has been appointed to handle the registration of voters here and anyone who may desire to register may do so by getting in touch with Mr. Owens. The registration here will most likely be comparatively heavy due to the fact that this is a presidential election year and there will be an added impetus to the interest in the coming election due to the fact that the state income tax will most likely bob up again and there are many people who will want to take a whack at that.
