company that it intends to remove
its advertising signs along the state
highways in Oregon is appreciated by
the state highway commission, ac-
cording to a letter prepared by Roy
Klein, state highway engineer.

As a result of the serious illness
of O. P. Hoff, state treasurer, Gov-
ernor Pierce announced that nothing
could be done at present with relation
to the purchase of a site for the pro-
posed new plant for the state train-
ing school for boys at Salem.

The state of Oregon will be lim-
ited to ten votes at the national dem-
ocratic convention to be held in New
York next June, regardless of how
many delegates are sent to the meet-
ing, according to a legal opinion han-
ded down by the attorney-general.

In an address before the Klamath
Falls chamber of commerce Colonel
C. C. Thompson, superintendent of the
Crater Lake national park, stated that
records of parks for last year showed
Crater Lake the only self-supporting
national park in the United States.

A charter amendment authorizing
the issuance of \$987,000 of bonds to
cover 75 per cent of the cost of ac-
quiring rights-of-way for wide bridge
approaches was adopted by the voters
of Portland at the special city elec-
tion held March 4 by 5654 majority.

Discussion of the labor situation
in Oregon and outlining some plan
whereby workers may be distributed
to the best advantage of both em-
ployer and employe, will feature a
meeting of the seasonal employment
commission to be held in Portland Sat-
urday.

An order for a special election to be
held in Lane county May 16 at the
time of the primaries to vote upon the
question of levying a special tax of
2 mills to raise Lane county's share of
the cost of constructing the Pacific
highway bridge over the Willamette
river at Harrisburg was made by the
county court.

There were two fatalities in Oregon
due to industrial accidents during the
week ending March 13, according to a
report prepared by the state industrial
accident commission. The victims
were: Louis Larson, Holbrook, fore-
man, and D. B. Wagner, Molalla, edgor.
A total of 615 accidents were re-
ported during the week.

Ray C. Steel, federal game warden
for Oregon and Washington, has re-
leased 200 ducks and geese from cold
storage plants, left by Medford sports-
men, contrary to the game and storage
laws of the country. The game was
sent to the poor farm and other in-
stitutions in Jackson county to be used
for food for the inmates.

After almost a year of controversy
over the appointment of a director of
hatcheries for the commercial fish
commission of Oregon, Hugh Mitchell
of the federal bureau of fisheries was
appointed to the position. Since the
removal of R. E. Clanton last year the
work has been handled by Carl D.
Shoemaker, master fish warden, with
the assistance of Harland D. Holmes
as supervisor.

Three confessions were obtained by
H. H. Pomeroy, state fire marshal, and
other officers from Dr. James Otis
Kenyon, Milton dentist, that he wrote
threatening letters to Dr. A. D. Wood-
mansee, also of Milton, and twice set
fires in the latter's office. The fires
that caused damage of approximately
\$4500 to the contents of Dr. Wood-
mansee's office occurred November 8,
1923, and January 31, 1924.

No road district, whether within an
incorporated city or outside, has the
authority to levy a tax for improve-
ment of a city street, was the decision
handed down at Astoria by Circuit
Judge Campbell in the case of A. G.
Spexarth against Clatsop county and
its officers. The action was brought
to test the validity of the special levy
of \$100,000 made by the Astoria road
district meeting last fall to pay a
portion of the cost of improving Taylor
and West Bond street.

Laying of rails on the Eugene-

a distance of 6 1/2 miles beyond Oak-
ridge on the north end of the so-called
Natron cut-off, and for a distance of
31 miles north of Kirk, at the south
end of the new improvement. This
leaves 81 miles to be completed.

Preliminary arrangements for ded-
ication of the big highway bridge at
Winchester are being made by com-
mittees representing the Roseburg
chamber of commerce and civic clubs
of Oakland and Yoncalla. This bridge,
one of the largest and longest on the

the former highway commissioner.

Stump Acres Earn No Money

UNCLEARED land will "eat its head off" in taxes and
in the loss of crops you could produce on it. Stumps
don't earn anything—they're "squatters" and should be
replaced with crops.

The lower cost of clearing land with Pacific Stumping is
shown by the increase in the number of ranchers in this
neighborhood who are using it today. It shoots, stick for
stick, with any standard stumping power, but you get
one-half more sticks for your dollar. Pacific Stumping does
the job right—more land cleared at less expense. And
Pacific Stumping does not freeze or give a headache from
handling.

We can give you complete explosives service. Our stocks
include Pacific Stumping and other dynamites for
use on the farm. Let us figure on your requirements.
