Edward E. Brodie, minister to Siam,  
has been endorsed by Charles L. Mo-  
Nary, United States senator, for ap-  
pointment as ambassador to Japan.  
Mr. Brodie is owner and publisher of  
the Oregon City Enterprise.

Many telegrams have been receiv-  
ed at the executive department from  
California protesting against the re-  
cent action of Governor Pierce in re-  
fusing to allow the Oregon national  
guard to go into summer training at  
Monterey.

"Three-Fingers" Clark, 55, member  
of Beecham & Clark, sub-contractors  
on the Natron cut-off construction at  
Crescent Lake, was found dead near  
the Hanson camp at O'Dell lake. It  
is believed that death resulted from  
heart disease.

The fishermen's union strike, which  
stopped commercial fishing at the  
mouth of the Rogue river last sum-  
mer, has not been settled, and the  
Maclean Estates cannery at Wedder-  
burn remains idle, although the com-  
mercial fishing season opened May 16.

J. H. Bagley, representative of Clay-  
ton Marks, Chicago capitalist, whose  
timber holdings in Curry county ap-  
proximate 30,000 acres, lying between  
Port Orford and Rogue river, is at  
Gold Beach making preliminary ar-  
rangements for extensive logging op-  
erations.

Approval was given by the secretary  
of the Interior to awards covering the  
sale of 310,000,000 board feet of ripe  
timber on the Klamath Indian reserva-  
tion in Oregon. The receipts from the  
sales, approximately \$1,500,000 will go  
to the Klamath Indians. About 1200  
Indians will share in the \$1,500,000.

Flax growers of the Willamette val-  
ley will have 12 flax pulling machines  
to aid them with the August harvest,  
representatives of the chamber of com-  
merce state development fund having  
signed a contract with the Canadian  
manufacturer. The machines are to  
be delivered in Salem by July 25 and  
are to cost \$27,000.

Despite the enactment of the pro-  
hibition amendment a few years ago  
the hop crop of Marion and Polk coun-  
ties for 1923 brought larger financial  
returns than the combined yield of  
peaches, apples, cherries, prunes,  
pears, loganberries and strawberries,  
according to a bulletin issued recently  
by the Salem chamber of commerce.

Three fatalities were due to indus-  
trial accidents in Oregon during the  
week ending May 22, according to a  
report prepared by the state industrial  
accident commission. The victims in-  
cluded Carl Mathias, Holbrook, labor-  
er; William A. Ballard, Albany, labor-  
er; and Clemens Oster, Bend, faller.  
A total of 669 accidents was reported  
to the commission.

Major Swartzlander, for 25 years  
superintendent of the Umatilla Indian  
agency, will leave Pendleton in about  
three weeks to accept a position with  
a special intelligence unit of the fed-  
eral treasury department. He will be  
stationed in California in his new  
work. Byron H. Sharp of Phoenix,  
Ariz., has been designated to succeed  
Major Swartzlander.

If alfalfa hay in the west end of  
Umatilla county and the northern end  
of Morrow county should yield at the  
same rate this year that it did last the  
Oregon Cooperative Hay Growers' as-  
sociation will have about 40,000 tons  
to sell, according to figures presented  
at the annual meeting at Hermiston.  
Between 75 and 80 per cent of the crop  
in the two counties is controlled by  
the association.

At the final session of the Oregon  
grand lodge of Oddfellows at Hood  
River, Ashland won the 1923 conven-  
tion. Officers elected for the coming  
year: L. E. Carter, of Portland, grand  
master; Henry Young, of Joseph,  
deputy grand master; V. J. Jackson,  
Roseburg, grand warden; E. E.  
Sharon, Portland, grand secretary; Dr.  
O. D. Doane, The Dalles, grand treas-  
urer; and Past Grand Master Taylor,  
trustee.

Miss Cornelia Martin, state librar-  
ian, has received information from  
the Oregon Agricultural college that  
two farmers' bulletins having to do  
with fruit-eating have been with-  
drawn by the government. Persons  
having received the bulletins are ur-  
ged to destroy them because of danger  
from botulinus poison from the recipes  
contained therein. The bulletins bear  
numbers 1211 and 889. The first of  
the bulletins relates to "Home Can-  
ning of Fruits and Vegetables," while  
the second was entitled "Home Can-  
ning by the One-Period Cold-Pack  
Method."

Bondholders in possession of ap-  
proximately \$2,000,000 worth of bonds  
in the Warm Spring irrigation dis-  
trict in Malheur county will receive  
their July interest payments, accord-  
ing to an agreement reached between  
the state irrigation securities commis-  
sion and the Fleischhacker interests  
of San Francisco, who are heavy hold-  
ers of Oregon irrigation securities.  
The state will pay approximately \$9000  
of the interest due on the bonds under  
its guarantee, while the Fleischhacker  
interests will advance \$28,000 through  
San Francisco banks. Without this  
arrangement interest on the bonds  
would have been defaulted.
