Edward E. Brodie, minister to Siam,
has been endorsed by Charles L. Mc-
Nary, United States senator, for ap-
pointment as ambassador to Japan.
Mr. Brodie is owner and publisher of
the Oregon City Enterprise.

Many telegrams have been received
at the executive department from
California protesting against the re-
cent action of Governor Pierce in re-
fusing to allow the Oregon national
guard to go into summer training at
Monterey.

"Three-Fingers" Clark, 55, member
of Beecham & Clark, sub-contractors
on the Natron cut-off construction at
Crescent lake, was found dead near
the Hanson camp at O'Dell lake. It
is believed that death resulted from
heart disease.

The fishermen's union strike, which
stopped commercial fishing at the
mouth of the Rogue river last sum-
mer, has not been settled, and the
Macleay Estates cannery at Wedder-
burn remains idle, although the com-
mercial fishing season opened May 16.

J. H. Bagley, representative of Clay-
ton Marks, Chicago capitalist, whose
timber holdings in Curry county ap-
proximate 30,000 acres, lying between
Port Orford and Rogue river, is at
Gold Beach making preliminary ar-
rangements for extensive logging op-
erations.

Approval was given by the secretary
of the Interior to awards covering the
sale of 310,000,000 board feet of ripe
timber on the Klamath Indian reserva-
tion in Oregon. The receipts from the
sales, approximately \$1,500,000 will go
to the Klamath Indians. About 1200
Indians will share in the \$1,500,000.

Flax growers of the Willamette val-
ley will have 12 flax pulling machi-
nes to aid them with the August harvest,
representatives of the chamber of com-
merce state development fund having
signed a contract with the Canadian
manufacturer. The machines are to
be delivered in Salem by July 25 and
are to cost \$27,000.

Despite the enactment of the prohibi-
tion amendment a few years ago the
hop crop of Marion and Polk coun-
ties for 1923 brought larger financial
returns than the combined yield of
peaches, apples, cherries, prunes,
pears, loganberries and strawberries,
according to a bulletin issued recently
by the Salem chamber of commerce.

Three fatalities were due to indus-
trial accidents in Oregon during the
week ending May 22, according to a
report prepared by the state industrial
accident commission. The victims in-
cluded Carl Mathias, Holbrook, labor-
er; William A. Ballard, Albany, labor-
er, and Clemens Oster, Bend, faller.
A total of 669 accidents was reported
to the commission.

Major Swartzlander, for 25 years
superintendent of the Umatilla Indian
agency, will leave Pendleton in about
three weeks to accept a position with
a special intelligence unit of the fed-
eral treasury department. He will be
stationed in California in his new
work. Byron H. Sharp of Phoenix,
Ariz., has been designated to succeed
Major Swartzlander.

If alfalfa hay in the west end of
Umatilla county and the northern end
of Morrow county should yield at the
same rate this year that it did last
the Oregon Cooperative Hay Growers' as-
sociation will have about 40,000 tons
to sell, according to figures presented
at the annual meeting at Hermiston.
Between 75 and 80 per cent of the crop
in the two counties is controlled by
the association.

At the final session of the Oregon
grand lodge of Oddfellows' at Hood
River, Ashland won the 1925 conven-
tion. Officers elected for the coming
year: L. E. Carter, of Portland, grand
master; Henry Young, of Joseph,
deputy grand master; V. J. Jackson,
Roseburg, grand warden; E. E.
Sharon, Portland, grand secretary; Dr.
O. D. Doane, The Dalles, grand treas-
urer; and Past Grand Master Taylor,
trustee.

Miss Cornelia Marvin, state libra-
rian, has received information from
the Oregon Agricultural college that
two farmers' bulletins having to do
with fruit canning have been with-
drawn by the government. Persons
having received the bulletins are ur-
ged to destroy them because of danger
from botulinus poison from the recipes
contained therein. The bulletins bear
numbers 1211 and 839. The first of
the bulletins relates to "Home Can-
ning of Fruits and Vegetables," while
the second was entitled "Home Can-
ning by the One-Period Cold-Pack
Method."

Bondholders in possession of ap-
proximately \$2,000,000 worth of bonds
in the Warm Spring irrigation dis-
trict in Malheur county will receive
their July interest payments, accord-
ing to an agreement reached between
the state irrigation securities commis-
sion and the Fleischhacker interests
of San Francisco, who are heavy hold-
ers of Oregon irrigation securities.
The state will pay approximately \$9000
of the interest due on the bonds under
its guarantee, while the Fleischhacker
interests will advance \$25,000 through
San Francisco banks. Without this
arrangement interest on the bonds
would have been defaulted.
