VERNONIA has a population of 2500 today when it had only 200 people a little over a year ago. Has the only all steel and concrete sawmill in the Douglas fir region with capacity of 180,000,000 feet per year. Has the only beltless planing mill in the United States. Has the only sawmill plant on the Pacific Coast kiln drying and storing under cover its entire product. Has the largest electrical monorail system on the coast.
