 Attend the Grange Community Day meeting tomorrow night. You will learn something and be well repaid for going. Good speaking and music.  
 Many deer, cougar and bear are being seen near town of late.  
 A. R. Melis, of Mist, with Mr. Harvey of Monmouth, called on us as we were printing last week's paper. Mr. Harvey lived at Mist twenty years ago, and hardly recognized the Vernonia of today.  
 The days are getting shorter and the light bills will get bigger.  
 Mr. Gilchrest is making a splendid "President" of our Chamber of Commerce.  
 The heavy rain for a couple of days, told us in no uncertain terms, that we need paved streets and better sidewalks. We dislike to think of what they will be, this winter, if not put in shape.

"Pete" Bergerson was a pleasant caller yesterday. He had his subscription to the Eagle market up a year, and visited on our city affairs, the splendid High School year ahead and on the Inland Highway. The "Bergerson Bluff" on the Timber route is a splendid piece of work Mr. Bergerson says the Gales Creek people are doing lots of work on the Highway question and that the route from Forest Grove up by Gales Creek and Timber has plenty of rock ready to be used without the necessity of shipping it in.

W. A. Warfield and family have moved to Ridgefield, Wash.

One of our dairy men, formerly the McDaniel dairy, had a narrow escape coming in town this week. On the machine were Mrs. E. E. Spencer and daughter. Mrs. Spencer noticed the car was headed for the big canyon and grabbed the wheel, turning into the opposite bank and upsetting the car. Her quick action probably saved two or three lives.

A big party was given by Mr. and Mrs. Dr. Cole at the High School last Monday night. Invited were the Girl Reserves, Boy Scouts, S. S.
