I also announce that I have assumed all the debts of the recent co-partnership; and as the sole owner and manager of said City Delivery and Transfer, I will be responsible for all future obligations only when same are authorized by me, subsequent to said Sept. 30, 1924.

## HOW TO REDUCE TAXES

Repeal the income tax and thereby encourage outside capital to come in, thus increasing our taxable wealth and reducing our tax burden.

Or keep the income tax and thereby discouraging outside capital from coming in, thus retarding increase of taxable wealth and delaying relief from our tax burden.

Which of the foregoing seems the more likely to reduce our taxation? Only by encouraging outside capital.

Statement of ownership, management, circulation, etc., as required by the Act of Congress of August, 1912, of the Vernonia Eagle, published weekly at Vernonia, Oregon, for Oct. 1924.

State of Oregon, County of Columbia. Before me, a notary public, in and for the State and County aforesaid, personally appeared Paul S. Robinson, who, having been duly sworn according to law, deposes and says that he is the editor and owner of the Vernonia Eagle, and that a true statement of the ownership, management, etc., of the aforesaid publication, to-wit:

Publisher, Editor and Business Manager, is Paul S. Robinson. Known bondholders, mortgagees and other security holders are None.  
PAUL S. ROBINSON.  
Sworn to and subscribed before me this 1st day of Oct., 1924.  
W. A. GRESSMAN,  
Notary Public.  
Nov., 5, 1925.

tal to come in can we expect to gain our share of prosperity and growth. If we impose a handicap on investment and our competing states have no such handicap, where will outside capital go?

We want all the prosperity we can get in Oregon, and prosperity follows in the wake of industrial investment. If outside capital pours into Oregon, everyone in Oregon is more prosperous. There is more demand for farm products and more demand for farm property.

If we continue to set up a barrier against outside capital coming in, it will go elsewhere. Oregon will lag behind, the market for farm products will be limited and there will be little or no demand for farm property.

Every day is defense day with some husbands.

## Candidate for County Representative

He was Representative in 1913 and helped to pass the following laws during the session: Workman's Compensation Act; Blue Sky Law; Interstate Bridge Law and others. He was on the Dairy and Food Committee of the House and helped Dairy and Poid Commissioner Mickle put through his program, benefitting the farmer and dairymen.

The program was bitterly fought by a combination of Portland Creamerymen.

Vote for a man that has helped to build up Oregon and at the same time believes in and practices economy and will do all he can to hold down public expense.
