Schools

Twelve students have turned out for debate this year and are all working on the merchant marine problem. The question as stated by the Debate League is "Resolved that the United States should adopt a policy of ship subsidy."

The proposition of subsidizing our ships caused much argument through out the nation two years ago and is now being discussed again. Mrs. Cile, our coach, has gathered quite a lot of material including a number of Congressional Records which are printed by the Government Printing Office and contain a record of all speeches made by legislative bodies. If anyone has pertinent articles or books, anything about the merchant marine the team will appreciate them. Mrs. Cole is especially anxious to find a copy of the "Country Gentleman," for July 1922.

Try outs for the team proper, which consists of four members will be held about Dec. 15. Two of last year's debaters are still here and their experience will greatly strengthen our chances in competing with other members of the lower Columbia District—St. Helens, Warrenton, Astoria, Scappoose, and Rainier. The winner from the lower Columbia District will compete with the winners from other districts until the contest finally resolves into a debate between the high point teams of Eastern Oregon and Western Oregon. This final debate, is held in Eugene. Our debaters hope to have all their material written by Christmas as the debate comes shortly after the holidays.

LOCAL P. O. GROWS

The speed with which the Vernonia Post Office keeps growing is amazing. This week P. M. Messing has enlarged the room and added 88 new lock boxes, giving us 888 boxes all taken. Another addition to the local office this week is a new cancellation machine that cancels letters and cards at the rate of 100 a minute. It takes a large dray to haul one train's mail to the office now every day.

BIG DAY FOR EASTERN STAR

Hillsboro Lodge Eastern Star, as well as members from Forest Grove and St. Helens, were in Vernonia Wednesday night, putting on some installation work for the home lodge so we hear. In the evening a 60 plate chicken dinner was served at the Gayosa to the visiting ladies, and Mr. Detrow certainly put up a gorgeous feed according to those present.

Daring Plot to Get Bride's Fortune or Insurance Money

"Reckless Age" to Blame for Sensational Affair, Says Bride's Father

A most astonishing plot to gain money through marriage was exposed today in one of the finest Universal Pictures of the year—"Reckless Age", starring Reginald Denny. Critics everywhere have proclaimed this Earl Derr Biggers story to be one of the most thrilling dramas ever put on the motion picture screen. It is crackling with action and flaming with comedy—a picture that everybody in town will want to see.

The story tells of Lord Harrowby, who takes out insurance on his fiancée. If he marries her he gets all her wealth. If he doesn't marry her the insurance company has to pay. Reginald Denny is sent by the insurance company to make sure that the Lord gets the girl. Then the trouble starts.
