

It Makes a Big Difference to You Where You Spend Your Dollars

Supposing, for instance, that every man, woman and child in this community spent their money away from home, what would happen to this town?
 There would be no stores, no shops, no schools, no churches, no good roads, no newspaper—in fact there would be no town. Vernonia is the market place for whatever you produce, whether it be labor or farm products. Without home trade there could be no town of Vernonia. Everyone would move away. Trains would cease stopping and it would be almost no-time before our home town would be but a memory. So you see, it does make a big difference with you and with your neighbors, where you spend your money.
