A MIRROR
Vernonia is just what you make

it. If you don't like the town, you will probably find that the town doesn't like you. But if you have the right attitude, then you will find the community friendly. It is a mirror in which you will find a reflection of your own disposition.

BE USEFUL

There is but one straight road to success, and that is merit. The man who is successful is the man who is useful. Capacity never lacks opportunity. It can not remain undiscovered, because it is sought by too many anxious to use it.
