**KINGSLEY'S**

*"from the Northwest's finest bakery"*

**Butter-Nut**  
the bread supreme

IT IS NOT NATURAL for superior work to be done with inferior tools. You have a right to expect superior bread from a superior bakery.

Indeed, there is just one natural reason for the existence of a superior bakery anywhere—and that is a dominating determination to make superior bread.

Visitors are always welcome at the U. S. Bakery, East 11th to 12th and East Everett to flanders streets. We are glad to have people see our plant and see how Butter-Nut bread is made—and it is really interesting to go through this bakery equipped to make "75,000 quality loaves a day."
