BUILD, PAINT, PLANT LIVE

It is only a suggestion from the Eagle for the betterment of Vernonia and Vernonia People.

Build a home. It is cheaper and more satisfactory than paying rent. They furnish your home with home products.

It is better and as economical to buy at home your rugs tapestry, paint, varnish, nails, cabinets, furniture, shingles, stoves, bedding, groceries, tables, chairs, etc.

Build in Vernonia. Paint, clean lawns. Fix up. Spring is coming.
