DID YOU EVER STOP TO THINK?
 By E. R. Waite, Sec. Shawnee, Okla.,
 Board of Commerce

THAT two very important things
 for the success of a business is to
 have the right kind of goods and
 then letting the public know about
 it in the right way.

THAT the merchandise that sells
 best throughout the year is the mer-
 chandise that is advertised through-
 out the year.

THAT every concern should give
 their business a chance to grow. **DO**
IT BY ADVERTISING.

THAT when reason and common
 sense prevail in business, progress
 is assured.

THAT advertised goods today are
 in favor of the consumer because
 the consumer has become acquainted
 with them through persistent ad-
 vertising.

THAT use of them has caused
 an appreciation of their high quality
 and splendid value.

THAT buying advertised goods
 makes shopping mistake-proof.

THAT advertising helps the peo-
 ple to economize.

THAT the business that has been
 built right has been based on the
 rock of high quality goods and per-
 sistent advertising.

The stores of advertised goods
 make quality their first and last con-
 sideration.

SONG OF THE WASHED-OUT
ROAD
 The following paraphrase of Long-
 fellow's poem hangs on the wall of
 the New York State Highway Com-
 missioner's office:
 Hordes of autos now remind us
 We should build our roads to stay,
 And departing leave behind us
 Kind the rains don't wash away.
 When our children pay the mortgage
 Father's made to haul the loads,
 They'll not have to ask the question,
 Here's the bonds, but where's the
 roads? —Apropos.

Service
*"I keep six honest, serving men;
 (They taught me All I Know);
 Their names are WHAT and WHY
 and WHEN,
 and HOW and WHERE and WHO"*
—Kipling
WHAT was the date for Easter vary?
WHY does the date for Easter vary?
WHEN was the great pyramid of
 Cheops built?
HOW can you distinguish a malarial
 mosquito?
WHERE is Canberra? Zebrugge?
WHO was the Millboy of the Shabes?
 Are these "six men" serving you too?

LOOKING INTO IT

Looking into your motor with the eye of experience as we do, oftentimes reveals little troubles, which if corrected now will save you many dollars and hours of delay later. Our charges for this important service is not great.

STAR

NOTHING BETTER

VERNONIA BRAZING & MACHINE WORKS

Many a Vernonia man wishes he could get as much kick out of a ten-dollar bill now as he used to get out of a ten-cent valentine.

Every town is full of people who forget holidays and who are always out of postage stamps when they have important letters to mail.

It has been our observation that most Vernonia citizens break their New Year resolutions before they've had time to toughen from age.

Only the fear of another big war debt keeps a lot of us from saying out loud all of the mean things we think about Japan.

Another thing the lives of great men often remind us of, is that they don't seem so darned great.

Another optimist is the Vernonia man who can think that his bald spot makes him look distinguished.

YOUR WATCH, YOUR CLOCK

This is to just to remind you that we are giving particular attention at this time to repair work. With the best of equipment and skilled workmen, we can adjust your watch, or your clock, so that it will keep perfect time. It may need cleaning or some other attention.

It is economy to have your watch kept in perfect condition. It needs attention just the same as any other mechanical contrivance and should receive the once over at least once a year. It may need lubrication, it may need cleaning. Attention in time is just as effective with a watch as a stitch in time is with a rip.

We repair all kinds of jewelry. We guarantee all of our service.
