THE RIGHT STEP

Anything that tends to reduce taxes is interesting... The general run of Vernonia citizens, whether the thing taxed affects him directly or not.

It may be that few of our citizens expect to inherit enough to be forced to pay a tax of this kind to the government... but even at that they are glad to know that the light is shining more brightly at the national capital.

Save on Your Gas and See the Scenery!

By WILLIAM E. RIMOX, President American Bankers Association

At long, long time ago, as every great leader said, "Man shall not live by bread alone." That is true.
