EVANGELICAL CHURCH
During the eleven o'clock service the pastor will speak on the subject "A Spiritual Dynamo" which should be of interest to all seeking a deeper spiritual life. This being the last Sunday before the Annual Conference the evening service will be devoted to a review of the of the two years work. Some very important facts will be stated during this service which the community should know.

The Christian Endeavor meets at the usual hour. The Sunday school meets at 9:45 a. m. Classes six and seven are still holding the same position. Re-enforcements have been brought into the other classes so that several classes are pretty close in the race. We invite young and old to come and enroll in one of the classes; you will receive hearty welcome.
