Your Ad In This Paper-

Putting an advertisement in this paper is much more economical and will get much greater returns than though you hired a boy to go about crying the news aloud. And it affords you the opportunity to place all the facts of your offering before the people of this community in an intelligent and completely convincing manner.

Truly He Is Risen

The fact of the Resurrection is not a bit of ancient history; it is, more than any other event, verifiable in the present. Just as we cannot separate our Lord's life from those in whom He lived—from the Apostles to the latest convert in His church—so we may not under the Resurrection from the lives of those in whom its reality has been vindicated and demonstrated in millions of cases. Our Lord comes to us in His risen presence so oft as we allow Him to make Himself manifest. We have the age-long evidence of Christian experience as the standing proof that He is risen.—Christian Evangelist.

Easter Rabbits

The association of rabbits with Easter dates from earliest times. It should be remembered that Easter, to some extent at least, is the Christianization of a heathen festival. In both India and Egypt the rabbit and eggs, as the symbols of fertility and reproduction, were closely identified with the spring festival which corresponds to our Easter. "Easter" itself is indirectly derived from an old Saxon word meaning "rising." Easter was the festival welcoming the return of spring. It is the season of new birth. Since the rabbits and eggs were associated with this festival from earliest times, it was natural for the imagination of man to link the two together and invent the story that the rabbits lay the Easter eggs.—Pathfinder Magazine.

Last Saturday evening John Bucher Relief Corps gave a get together meeting and rally for the Sons of Veterans. The following program was carried out, with Mr. Judson Weed presiding: Music by high school band, address by Mr. Foster, Deputy Commander Sons of Veterans; music by band, reading by Mrs. D. L. McKay, address by Norma Terwilliger, President of the Womens Auxiliary and Sons of Veterans; address by D. R. McKay, Past Dept. Commander G. A. R.; music (Star Spangle Banner) by band. Commander McKay praised our high school band in glowing terms and gave them splendid advice and encouragement. After delicious refreshments were served by the corps, Mrs. Terwilliger reorganized the Woman's Auxiliary to the Sons of Veterans.
