

Counting the various pieces of job printing turned out the past seven days in this office, we have made 90,000 impressions or pages. This includes telephone directory, extra paper for American Legion, bills, tickets, hand bills, letter heads, envelopes, shipping tags, some invitations, programs and a few jobs of statements. The A. L. kept us pretty busy on "circus" advertising.

Wheeler and Wheeler will be one of the many feature acts that will be staged by the American Legion at their circus and "A Night in Paris." Wheeler and Wheeler comes direct from the Sells-Floto Circus, where they have been the feature attraction for the last two years. In connection, there will be nine more acts of high class vaudeville and circus numbers, including a lady jazz orchestra, which has just closed their contract over the Keith and Pantages circuit.

In fact, the show being presented by the American Legion, April 10 and 11th, at Vernonia, will be the largest affair ever attempted in the Northwest by any town twice our size.

Small Boy (to shopman): "How much are the eggs?"

Shopman: "Three cents each. The cracked one is a penny."

Small Boy: "Crack me a dozen, then."

Walter Coyle feels the touch of summer and says he has the car dolled up ready to drive to the ball games.

Looks like the town was alive to see the crowds and autos lining the streets Saturday night. Last Saturday night every available parking space was occupied and some machines searching for a place to stop.

Mrs. D. B. Jackson who has moved up Rock Creek, was a Vernonia visitor Tuesday, spending the day with Mrs. Houston Brendle.

Mrs. Megoff entertained Wednesday evening with an April fool party. Games and refreshments made it a very enjoyable evening. Those present were: Mrs. Inbeck, Mrs. Roberts, Mrs. Brendl, Mrs. Lingquist, Mr. and Mrs. Adams, Mrs. Pape, Mrs. Hall, Mrs. Thompson, Mrs. Varner, Mrs. Powell, Mr. and Mrs. Perry Smith and Mr. and Mrs. Ellis.

The Fire Department headquarters is located at the Monkey Wrench Garage, awaiting day or night calls. The new auto fire truck is always warm and ready to go. After buying the new truck the boys are broke and there are several things still needed by the company. The Fire Department is surely worthy of all the support we can give them.

A Congregational Sunday School has been organized, we hear, the first school being held last Sunday afternoon in the Sesseman hall.

The Vernonia Woodworking Co. certainly turns out some fine work. The latest job of beauty by the skillful cabinet makers is the new hearse for Undertaker J. W. Brown. The specially built body is mounted on a Reo, and is handsome as well as well built.
