

Vernonia will have its Lyceum and Chautauqua on June 6th to 10th inclusive. Fourteen high class entertainment and educational numbers are included for the program.

Now is the time to plant Dahlias. Get your bulbs from Mrs. A. J. Sitts.

SQUIRREL DOPE

Tom Ray was in Vernonia Sunday and says, "I'll be one of you soon." Several slams have been heard thrown at McJensen for not using Dempsey behind the bat. Mac is handicapped for this reason, he has been instructed to put on the field a local team for amateur baseball. Because Vernonia can not afford to pay high prices for players. That was proved last year. Dempsey says, "I want fifteen dollars or I will not play." The gate receipts last Sunday will alone show that Vernonia can't pay Dempsey \$15. So whose's right? If Dempsey received fifteen dollars a game, what would the rest of the players get?

The directors of the ball club are trying to furnish Vernonia with a baseball team of local players and furnish Vernonia fans with a good line of sport. To import players or pay players at the rate of fifteen dollars a game is impossible.

Jimmy Reese of Oakland saved the day for Oakland last Sunday by pulling the old Cain and Able trick. Something you rarely see. Jimmy Reese played for Eureka, Cal., last year, while MacJensen was one of his closest coaches.

HIGH SCHOOL NOTES

games to win one. There was a great wailing and gnashing of teeth when it was rumored that each student receiving a letter would have to make a speech and many sighs of relief were heard when Mr. Austin announced that he had been bribed into excusing the fortunate ones. However, Charles Hoffman, yell leader, was too poor to pay the penalty, therefore, he had to give a speech, which ended in nine rabs for the squad. The boys receiving football letters were: Loel and Thor Roberts, Harold and Lisle Smith, Ray Mills, Glenn Hawkins, Robert Hoffman, Carl Fowler, Herbert Heltzel, Donald Hodges and Kenneth Whitzel. Those receiving basketball letters were: Ray Mills, Thor and Loel Roberts, Harold Smith and Glenn Hawkins. The girls receiving basketball letters were: Theresa Days, Doris Akerstadt, Julia Keasey, Lena Gibson and Mildred Bergerson.

The sewing class made a relay pennant, designed by Robert Hoffman and awarded to the Senior class for winning the relay in the inter-class meet.

The high school band is giving a concert at the Majestic theatre, May 8. The boys have given concerts in Clatskanie, St. Helens and at home and were complimented on their playing. It was the only high school band in the county and will probably be called on to play for Vernonia and nearby towns during the summer.

The school days can easily be counted now. But that does not say we will be idle for there is plenty to do. Besides the final exams and book reports, there are many big school activities yet to be put over successfully—the district field meet, the Junior Prom, the band concert, the Senior play, Commencement and Graduation.

The "Folger Cup" to be presented at the track meet Saturday is beautiful. See it in Mr. Folger's window. Certainly a good community for Mr. Folger.

Dance Saturday night.

Ask the fellows who have received Mutual Benefit checks how they like it. Satisfied? I'll say they are, ask the Vernonia Representative, G. C. Olsen, Vernonia Realty Co.

Advertising pays when rightly used. There's too much proof on that point to permit of argument. So, if you want to argue, start the advertising first, so it can be working for you while you waste time discussing the point.—Exchange.

A recent visit of a P. O. Inspector revealed the fact that the Vernonia post office was doing business enough now to be rated as a second class office. This shows big advancement and will soon mean much better and larger office.

Judd Greenman, superintendent at the O.-A. mill here, Sunday at Olympia, Wash., and Mrs. Greenman accompanied him back to Vernonia, remaining here until Wednesday.

Grandma Spencer was in Portland a couple of weeks "keeping house" at her son's while Mrs. Omar Spencer and daughter Laura were visiting in Los Angeles.

Milliners Announce a Flower Season

To attend a spring and summer millinery opening display is as inspirational as going to a flower show. Surely, it is a flower season for chapeaux. Joyous colors, as only flowers can express it, flashes its loveliness o'er little hat, or big, most impartially, this season.

There are two direct flower-trimming tendencies, one uses large flowers in natural mass effects, especially roses; the other exploits tiny flowers worked with painstaking precision into conventional flat effects and arresting motifs.

Breathing the freshness of spring are the violet-covered crowns which feature many a picturesque cloche. As the picture here shows, a single large rose is the "crowning glory" to this violet symphony. Many flower-trimmings aspire to reach the peak of the crown, these days. A charming realization of this tendency is illustrated in the other little hat, where a bouquet of large rose buds surmount a silk and milan straw-novelty-designed crown.

Christian Church

In spite of the sickness in town last Sunday's bible school and church attendance was large, but next Lord's Day we hope to raise our number to at least one hundred and fifty at bible school classes. We invite all to come. There is a class for every one, young and old, with a competent teacher for each class.

The morning services, directly after bible school, is a beautiful de-

votional service, consecrated to the communion and the teaching of the word of God. The evening services will be Christian Endeavor followed by preaching. The evening sermons are of an Evangelistic type of service. Sunday school at 9:50 a. m., communion and church service at 11 a. m., Christian Endeavor at 7:00 p. m., preaching 8:00 p. m.

We are a sociable church and welcome all.
