Some women's idea of a real helpmeet is to thread the needle for her husband when he wants to sew on a button.

EAGLE FEATHERS

The objection to a pistol is you're tempted to use it when it isn't necessary and heaven't time to use it when it is.

The biggest question now confronting many Vernonia men is "Shall I make the old buss do another year?"

Everybody knows that if he had plenty of money he would know how to use it better than those who have.

We also noticed that even the tornado which recently swept over Illinois avoided the town of Herrin.

Some families around Vernonia never will be as happy as they ought to be until every member has his own car.

Wouldn't it be awful if the magazines of this country were as naughty on the covers as they are on the covers?

Experience makes some people sadder and wiser while with others people it only makes them sadder.

We know of some stingy men around Vernonia but we don't believe there are very many wearing whiskers because they're too stingy to buy neckties.

Girls of today hunting husbands do not care if they are not educated. Give them a man and they'll educate him.

NATAL

Mrs. Warren Smith and baby and Mrs. Nuert visited school one afternoon last week.

There are two more weeks of school here.

Mr. and Mrs. Holding and children visited with Mr. Holding's mother Sunday.

Those from here who attended the Pomona Grange at Cedar Grove Saturday were: Miss Olga Holmstrom, Clyde Johnson and Mr. and Mrs. Lee Osborn. They reported a good time and program.

UPPER NEHALEM

James Griffin, brother of Mrs. Ornduff, is here from Seattle to spend the summer vacation.

GRANGE READING THAT INTERESTS ALL OUR READERS

county fair grounds now gave her report. She recommended that the offer of the fair board be accepted and that the granges of the county meet half of the expense of this building. The report was accepted and the committee retained.

The first part of the evening session was the lecturers hour. The worthy lecturer Della A. Gilbert of Fern Hill grange had arranged a very fine program: Piano solo by Harrison Kellar; a farce, Mrs. Ross Daniels; vocal solo, Walter Daniels; reading, M. P. Young; vocal solo, Thelma Kellar; costume reading, Margaret Daniels; quartette, "The Donkey's Parade," by four of the sisters; addresses by Brothers Palmittter, C. E. Spence and county agent Nelson. These addresses were given the closest attention and were thoroughly appreciated.

A letter of sympathy was ordered sent to brother Fred Adams of Deer Island grange, who has been so seriously ill for the past two years.

The H. E. committee also arranged a beautiful bouquet of flowers to be sent to brother Adams.

The H. E. committee of Cedar Grove grange are doing some of the best work done by any H. E. committee in the county. They had been especially busy preparing their hall for entertaining the Pomona grange. The decorations and other things prepared for the comfort of the visiting grangers, to say nothing of two bountiful meals wonderfully prepared and expertly served, together with a midnight lunch, would have been a credit to a grange with double the membership. What Cedar Grove lacks in numbers they make up in service.

The next county Pomona will meet with Clatskanie grange, Saturday, Aug. 1. Mand J. Mills, sec.

Mr. and Mrs. A. J. Wenicke called at Mrs. Ornduff and spent Sunday evening.

Mrs. Ollie Powell was up from Vernonia visiting in our neighborhood Sunday.

We hear that there was a chivaree in our neighborhood recently.

Elmer Bergerson is putting up a new home for himself and it looks like he is going to have a new house keeper soon.

The Sunset is laying off lots of their men and shut one side down for a while.

It is understood that a car was stolen Saturday night up on the road at the Sunset camp. It was thought that probably two strange boys who were noticed to have been loafing in the vicinity early Saturday morning may have something to do with the missing car.

Art Buyers has been on the sick list for the past few days.

There is a large forest fire raging in the Sunset camp and no hundred men fought the fire the other evening.
