

Yale Captain Hard Hitter

Captain Winslow Lovejoy, star football player of Yale, last year, has prospects of being the heaviest hitter on the Yale nine this year.

A new auto owner declares that just about the time a fellow learns to drive his new auto he has to turn and learn how to drive the wolf from the door.

A movement has been started in New York to preserve wild life. It is certainly the proper place to start such a movement.

One of the hardest things to do that we know of is to convince a Vernonia family that an auto is a luxury and easy to do without.

The trouble with many of us is that we are interested in great men's lives only because it brings us a few holidays every year.

You can lose anything these days. We see where a St. Louis man is advertising for a 250-pound wife that has strayed away.

The only Vernonia man who yearns for a younger wife is the one who doesn't know how darned old he looks.

With increased cost of baggy-legged pants and the big consumption of cigarettes a college education is getting more expensive every day.

It's about as easy for the average Vernonia man to start a garden as it is for the weeds to take a little later on.

"If everybody spent as much time hunting for work as they spend hunting for trouble," declares Mr. Gillchrist, "we'd get about ten times as much work done."

Now they're mentioning Dawes for president and Pershing for vice-president in 1928. It pays to go to war—but you can't make a taxpayer believe it, says J. W. Brown.

Wm. Pringle is authority for the statement that if the farmers followed the advice of our "city farmers" and "agricultural experts" the nation would starve to death in ten years.

BARONESS VON MALTZAN

Baroness von Maltzan, wife of the new German ambassador to Washington, is one of the loveliest of the diplomatic women in the capital and the German embassy is coming to be a real center for the diplomatic social life.

"In the spring a young man's fancy," says Judge Reasoner, "consists in sitting down and watching somebody else do the work."

We used to strike up a friendship with a stranger by discovering that we both belonged to the same lodge. Now we do it by discovering that the stranger drives the same kind of car that we drive.

Honor Morse, Using His Own Key

Scene at memorial exercises held by students of National Academy of Design in honor of Samuel F. B. Morse, inventor of the telegraph and founder of the academy, at the Morse statue in Central park, New York. President Reynolds of the Postal Telegraph company is sending a message with the silver key presented to Morse.

Sunday callers at the David McMullen home were Mr. and Mrs. Estus and sons, Mr. and Mrs. Bridges the Misses Irene and Alberta Derock and Grace Carmical. Several men from Natal helped to carry Mr. Tobin out from his home, where he was sick and Mr. Dunlap took him to Portland where he will get medical treatment.

Austrian scientists claim to have found bones buried 200,000 years ago. We wonder if they've found the dog that buried them.

Mr. C. T. Early was out from Portland Saturday. Mr. Early says from talk he has had with paving men, he believes the paving here, concrete, will not cost over \$300 per lot. Mr. Early's advice on municipal improvements is valuable, and we wish we had more of it, and could follow it in Vernonia.

MOTHERS DAY

Last Sunday the Knights of Pythias lodge was represented by several members at the morning service at the Christian church. Special "Mothers Day" services were held. The choir, composed of young girls is well trained. Mr. Noble sang the beautiful old song, "Mother Mine" Rev. Mathis delivered a splendid sermon, featuring the high aspirations and training that comes from a noble and good mother. Both white and red carnations were worn by those present.

A crowd from Clatskanie had a birthday picnic in the Natal grove Sunday. All enjoyed themselves until the rain spoiled their fun and then they started for their homes. Those present at the picnic were: J. R. Holmes and family, C. R. Holmes and Lester Holmes and family, Bill Hytenin and family and Herbert Morris and family.
