

### HOLDS MEETING

The Jersey Jubilee was held at the L. G. Smith's farm at Scappoose on Monday of this week with a good attendance. In the morning stock judging instruction and contests were carried on by both the boys' and girls' club members and adults. Mr. Loughary, representative of the American Jersey Cattle club, gave detailed instructions in regard to the score card work in judging cattle.

Contests were then entered into in the placing of four, three year olds, four aged ewes and four heifers. In this contest Olof Korpella of Yankton, Fred VanTassel and Robert Lewis tied for first place with a score of 225 out of a possible 300. While Christine Newlan, Patricia Sobieski, Ragnar Josephson and Alney Davis tied for second place with a score of 210.

The first place in the judging among the adults went to Than Brown of Yankton, with a total score of 240. The official placing of the animals was made by Harry West, veteran Jersey breeder of Oregon.

A splendid picnic luncheon was served by the ladies at the noon hour. A program was arranged immediately following the noon hour, at which talks were made by Mrs. May Briggs, Horace Adis, L. G. Smith, Geo. A. Nelson, O. M. Plummer, N. C. Jamison and Ivan Loughary, representative of the American Jersey Cattle club.

A stock parade was held afterwards and moving pictures taken of the same, as well as pictures of other features of the program.

Next Tuesday evening will be the occasion of the biggest ball game ever played in the state. Every man, woman and child in the valley must be there. Better get on the grounds about 4:30 p. m., in order to get standing room. The game will be called at five. No fire arms allowed on the ground.

Mrs. A. Corey and Miss Josephine were Portland visitors the first of the week, leaving Mr. Corey to batch it for a few days.

Mrs. James Hadock of Portland visited friends in town this week, coming out to attend the eighth grade graduating exercises.

A through stage line from here to Portland, as Mr. Hixon is thinking of establishing, would no doubt, be much better than transferring—bet-

ter for the daily papers, express packages, baggage and passengers.

Seen on our streets this week: Mr. John Campbell. We haven't talked with Mr. Campbell, but he is in this town, and we only hope he is going to stay for a long time. Mr. Campbell was formerly with the O. A. Co., here.

We learn that Frank Valenti died last Monday in a Portland hospital. Mr. Valenti was a citizen of Vernonia. He has a family living at the west edge of town in a home built about a year ago. Last week he complained of a bad cold that grew into pneumonia. He was taken to Portland last week in a serious condition. He leaves a wife and several children we are informed.

#### "FRENCH LEAVE"

Eighteenth century books of French etiquette warned the social struggler against taking formal leave of his host or hostess. The guest who enjoyed the party wasn't supposed to stick around for the final handshaking. Only those who wished to register complaints remained. Consequently, taking "French leave" came to mean a hurried departure. "French leave" today is usually taken by cooks, second-story men and unwary politicians.

State Superintendent of Schools Churchill made the Address to the High School Graduates last Thursday night. It was certainly a good talk full of advice, the most important point being that work was the all essential duty and necessity for success. Whatever one takes up, either school life, professional or business, the main feature is the work and how it is done. The program was good all the way through as given in last weeks paper.

Mr. and Mrs. Folger are planning on taking several weeks vacation and visiting several points of interest in old Oregon.

Each week we print a different article by the Secretary of the Shawnee Chamber of Commerce. We publish these different talks each week because they are recognized the world over as the best thoughts on their line offered the public. They are under the head of "Did You Ever Stop to Think." Read them in the Eagle each week. They are good and the advice on many different subjects worth having by any ambitious city.

### PORTLAND SHOW TO BE BIG ATTRACTION

PORTLAND, Or., May 28—Three big "shows" and a halfdozen other attractions are announced for the 1925 Rose Festival, which opens Monday, June 15, and continues through the week. Previous Rose Festivals have extended only over three days.

"Rosaria," the Floral Parade and "Merrykhana" are the three big attractions and two of them are to be the first attractions of their kind ever seen anywhere. "Merrykhana" is to be a distinct novelty—a conglomerate parade with the carnival spirit dominant in all sections except "The March of the Nations." Thirty seven nationalities represented in Portland's population will have characteristic entries, many of them with bands. Other sections will be the "Funnysads" the "Razzberry" section the industrial, fraternal and booster clubs. Every civic club in the Pacific Northwest is eligible to enter with a comic float or stunt.

The pageant "Rosaria" is one big thing these days in the lives of 5,000 dancers, actors and singers who are spending weeks rehearsing for its performance nightly June 15 to 19. A new feature of "Rosaria" has just been announced. As a special diversion just before the finale Miss Harriet Leach, dramatic soprano will sing "A Rose for Every Heart," with a rose ballet and a large group of waltzers in the background. Chas. Wakefield Cadman, composer of the "Rosaria" music, and everyone who has heard this waltz song predict it will attain tremendous popularity after its introduction at the pageant. Six princesses and 45 ladies in waiting have been chosen for Queen Suzanne, the first court of Rosaria. The princesses are the Misses Lee Tevis, Dorothy Haradon, Sarah Jane Talbot, Leslie Kerns, Flora Jane Menefee and Janet House.
