OWNED BY PEOPLE WHO LIVE IN VERNONIA

# KINGSLEYS

## BASEBALL GOSSIP

Jake Myers, who has been doing some great pitching for Vernonia this season, may spend his last day in Vernonia next Sunday. He has to his credit in five games, fifty strike outs. This is some record Jake old boy and we will be sorry to lose you, but we wish you success when in Canada and you are always welcome back

to Vernonia. Should Myers leave Vernonia, McJensen is figuring on either getting Geo. R. Goodrich of Yamhill or Johnnie Downs of Bellingham. Both these pitchers are real good clean sports and are likeable fellows and are expected to pull Vernonia through on top this season.

F. Kelly, who tried out with Salt

Lake last season may be seen in an out field position here shortly. Lake

Lake Myers of Westport may also be seen in a Vernonia uniform.

At the beginning of the season it looked as though Vernonia was going to have a poor brand of baseball and no rooters. But in the last

three games Vernonia has played a better brand of ball than they have ever done and last Sunday Vernonia supporters out numbered Westports. Keep this up and everybody will be happy.

Frank Hartwick, Vernonia's first sacker, is proving to be a whirlwind. Frank is good on bases and is hitting a steady tilt. On first sack he can be well depended upon.

Jack Nance, no doubt Vernonia's most consistent player has good his wares. He is hitting a good stride and has not been charged with an error this season.

The Cow Bell brigade is hitting 1000 per cent and is errorless, Nuff sed.

## VERNONIA BOY ON COLLEGE RIFLE TEAM

Oregon Agricultural College, Corvallis, May 20, Herman G. Dickson of Vernonia is one of the entrants in the dismounted rifle squad relay race which will be one of the 15 competitive features of the annual military tournament to be held here Decoration day, May 30.

The Military department of the college is sparing no effort to make this the largest and most interesting tournament ever held here, though previous ones have ranked as major events in the college year. The night shma battle feature has been displaced this year by an afternoon program of spectacular contests and demonstrations in one of which Dickson has entered.

Military training for the students closes for the year with the tournament, hence this annual event takes on the nature of a celebration as well as a military exhibition. Dickson has trained one year in the engineer unit.

The opening event of the tournament will be an air service demonstration of army planes under command of Lieutenant Oakley G. Kelley consisting of formation flying by nine planes, aerial acrobatics, dropping an aerial smoke screen, and a 3000 foot parachute jump.

Special memorial day exercises will follow in the college stadium after which the contests will be held. These include mounted tug of war, skirmish race, girls musical
