A new C-T-C Tire FREE

if it fails to outrun any other make!

MOST motorists know that claims don't mean much until backed up by the manufacturer's good faith. So we say—make this test: On one wheel of your car place a new C-T-C Cord. At the same time place on the opposite wheel any other tire of the same size. Then run them that way. The C-T-C will outrun the other tire. If it fails—we will give you a new one free!

This offer is on tires purchased before September 1, 1925.

We can make this guarantee because the C-T-C Cord is a tougher, sturdier tire—hand-built for long mileage—able to withstand rougher usage. C-T-C's are made of materials passing the highest tests for quality. Their heavy super non-skid tread adds wear—and safety! C-T-C's never have been and never will be cheapened to meet a price!

You pay nothing extra for this remarkable guarantee!

Drive up today and let us show you C-T-C's. We'll issue a numbered certificate by which you can make the famous C-T-C tire-against-tire

test. Take advantage of this extraordinary guarantee while you're doing your summer driving. Columbia Tire Corporation, Portland, Oregon.
