EAGLE

Nature knows her business. If she made canteloupes as big as watermelons they would cost her too much.

Maybe the reason some Vernonia men talk in their sleep is because that is their only opportunity.

Hope isn't always rewarded. Look how long the ex-Kaiser has been hoping for an invitation to come back to Berlin.

Speaking of jazz bands, the man who put the din in the dinner took all the rest out of restaurants.

Nobody cares what the average Vernonia man believes, so long as he doesn't irritate the whole town by discussing it.

A friend is an acquaintance who never borrowed money from you and never loaned you any.

The summer is now so far advanced that the fly which you failed to swat in April now has 13,450,000 descendants.

Why is it that some men around Vernonia have to wait until their wives get wrinkles in their faces they realize just how helpful a wife really is.

The billing and cooling doesn't end with the honeymoon. Only the cooling stops then.

Uncle Sam says the life of a paper dollar is only seven or eight months, but we have never had any of them to die on our hands.

The world isn't as bad as some Vernonia folks make it out to be. But it's a fact that the world is certain to impose on the man with a good disposition.

The man who seeks trade by lying on his competitor is a poor salesman in any business and is headed for the rocks.

One New York taxicab knocked a man down and another one ran over him and killed him. We suppose that's what they call "team work" in New York.

When a Vernonia girl tells a young man that she dreamed of him the night before he should begin to save up money for the furniture.

Maybe the reason they print bedtime stories in morning papers is that the modern boy and girl are just going to bed about the time the morning paper comes out.

Hens are troublesome at times and they seldom show much wisdom. But they are honest, for no hen ever laid a bad egg.

Any Vernonia husband who has had experience in skinning a rabbit ought to be of some help to his wife when she is shedding one of these new-fangled dresses.

DID YOU EVER STOP TO THINK—

By E. R. WAITE, Secretary, Shawnee, Okla. Board of Commerce.

THAT every city has business concerns who advertise continuously. They bring much business to the home city.

THAT in the same cities can be found a number who sit idly by and wait for the business brought to the city by the energy of the continuous advertiser.

THAT continuous advertisers are fully aware of the obligation they owe to the people they serve. As a result they give a couple service and quality.

THAT the sales of these advertisers always increase and their success to the benefit of the community.

THAT there is a story of the success of these advertisers that come great and are the result of their advertising and inspirational.

CONTINUOUS ADVERTISING IS THE KEY TO BUSINESS SUCCESS AND TURNOVER.

BUSINESS ADVERTISING IS THE KEY TO SUCCESS FOR THE FOREMAN OF THE WAREHOUSE AND THE BUSINESS MAN.

CONSIDER THE FACTS: A BUSINESS ADVERTISER WHO DOES NOT ADVERTISE IS LIKE A MAN WHO DOES NOT WORK.
