## EAGLE FEATHERS

Henry Ford can build a flivver in  
18 minutes. And a fool driver and  
a tree can take one apart in 18 se-  
conds.

Our idea of a good sport is the  
Vernonia man who stops at the  
butcher shop on his way home from  
a day's hunt and buys enough meat  
for supper.

We read where an Iowa man drove  
500 miles in a day. He must have  
been hunting for a parking place.

Our idea of an "efficiency expert"  
is one of these fellows who is still  
living off his wife's parents.

One Vernonia man's definition of  
relatives, he told us the other day,  
are people who come to visit you  
when the weather gets too hot for  
them to cook.

A government report says that  
foreign nations owe this country  
about \$12,000,440,921. And we sup-  
pose we can count ourselves lucky  
if we get the \$921.

As we heard it explained by a well  
known Vernonia man yesterday, the  
difference between a rent and a tear  
is that if you go on a tear you won't  
have enough money left to pay the  
rent.

A Detroit girl was powdering her  
nose when she walked into a hole in  
the street, 14 feet deep. Pride goeth  
before a fall.

The old village blacksmith who  
used to work under a spreading  
chestnut tree now tinkers under a tin  
roof with a pair of plyers and a  
battery tester.

If the average Vernonia woman  
ever gets a chance to marry again  
she'd pick a husband who made so  
much money she'd never have to  
hear the word "economy" again.

Maybe you've noticed that most  
of the big jobs in this world are done  
by fellows who don't care whether  
there's a grease spot on their neck-  
tie or not.

Most vacationists tell you that a  
summer resort is a place where the  
mosquitoes start in just where the  
flies left off.

School books and all school sup-  
plies at the Vernonia Book and Art  
store.

School students on the Vernonia  
and Timber road from the county

der shall specify the kind of car  
he proposes to use, also the kind  
of body.

The Board reserves the right to  
reject any and all bids. Bids will  
be opened August 17th By or-  
der of the Board of Directors of  
Union High School No. 1. —Mrs.  
Chas. Malmsten, Clerk.

## LOOK OUT FOR SELF POISONING

Neglect of the liver results in  
self-poisoning! Not so quickly, per-  
haps, but just as surely as if you  
drank poison out of a bottle. If  
your liver is not doing its work of  
helping digestion, eliminating waste  
from the bowels and purifying the  
blood, you will always be troubled  
with sick headaches, nausea, bilious-  
ness, bad breath, gas, sour stomach  
or constipation.

Cleanse and tone your liver. Put  
your system in condition so you  
feel your very best again. Try just  
a spoonful of Dr. H. S. Thacher's  
excellent Liver and Blood Syrup  
after the next few meals and notice  
the quick improvement in the way  
you eat, sleep, look and feel—the  
return of strength, vigor and energy  
You will be completely satisfied;  
otherwise there will be no cost.

**FREE!** This Coupon is Good  
for Sample Bottle  
Dr. Thacher's Liver & Blood Syrup  
if presented before the supply for  
free distribution is already given  
away. Read the full details above,  
then act at once, as this offer is  
limited. Get a trial size now by

## There Is a Difference

even in bakery goods. We have been told time
