

# Give Your Wife the Comfort of Modern Cooking Methods

It is economy in the long run—and all the way, cleanliness, comfort, and conveniences—which mean happiness to every woman.

Modern Electric Cookery is free from dirt, soot, ashes, fumes, grease and drudgery. Every woman—your wife, too—deserves and can now easily enjoy its many benefits.

The resulting economies in fuel, in food saving and absence of food shrinkage makes an investment in a modern electric range well worth while. Men who know and appreciate the value and importance of work-saving devices in the shop and office—are usually most enthusiastic in introducing similar work-saving conveniences in the home—for their wives to enjoy and benefit by.

## His word is his bond!

A "personal guarantee" means very little to you unless you know the man who makes it.

Ninety per cent of the things bought for your home are selected by the lady member of the firm. She is the purchasing agent. Most men admit that she is a capable buyer, and the reason is this: She must be shown — *convinced by proof* — that an article is what she needs and is worth the price!

For that reason, she sees the advantage of dealing with a local merchant — a man whose "personal guarantee of satisfaction" means just what it says.

She knows that what he advertises in this paper is entitled to her consideration. Because she has confidence in her neighbor—the local dealer—she can safely invest the family funds in what he guarantees.

"As upon my restless bed I lay,  
I awoke with a scream near break of day,  
A horrible rumbling noise I hear  
My hair turns white, I'm paralyzed with fear.  
Has the crack of doom arrived at last,  
And is this Gabriel's trumpet blast.  
Is the Jap's bombardment from the sky  
With a million soldiers marching by?  
With drums and horns, midst cannons roar,  
Ten thousand steeds and tanks galore  
I glance outside, then bless the lord  
For tis only a hick a starting his Ford." G. M. M.
