LOOK OUT FOR SELF POISONING

Neglect of the liver results in self-poisoning! Not so quickly, perhaps, but just as surely as if you drank poison out of a bottle. If your liver is not doing its work of helping digestion, eliminating waste from the bowels and purifying the blood, you will always be troubled with sick headaches, nausea, biliousness, bad breath, gas, sour stomach or constipation.

Cleanse and tone your liver. Put your system in condition so you feel your very best again. Try just a spoonful of Dr. H. S. Thacher's excellent Liver and Blood Syrup after the next few meals and notice the quick improvement in the way you eat, sleep, look and feel—the return of strength, vigor and energy. You will be completely satisfied; otherwise there will be no cost.

FREE! This Coupon is Good for Sample Bottle Dr. Thacher's Liver & Blood Syrup if presented before the supply for free distribution is already given away. Read the full details above, then act at once, as this offer is limited. Get a trial size now by presenting this coupon to M & M PHARMACY.

EAGLE FEATHERS

What a lot of Vernonia children of today can't understand is how their parents have managed to live so long knowing as little as they do.

If there is anything easier to start than a domestic fight it's a church fight—and love is supposed to rule in both places.

People might stop at grade-crossings if they'd keep a man there painting a sign or digging a ditch.

A regular fellow is the Vernonia man who thinks that table manners should be suspended during the corn-on-the-cob season.

Many a fellow who was at the head of his class in college wears a dunce cap in the school of experience.

A girl agrees with the man who says he is not worthy of her—but she always waits until after she marries him to tell him so.

Maybe one reason why more Vernonia women do not get divorces is that their husbands are not nearly as bad as the neighbors assert.

Paris Elaborates Practical Blouses

The French exercise their talent for ingenuity even on the simplest and plainest utility clothes, and now that fashion approves elaboration they are in their element. Here is a crepe de chine blouse which Paris contributes for wear with tailored skirts or suits and the designer has taken advantage of the vogue for plaitings in adorning it. A group of plaits at each side and a front panel in the "shirt-front" manner, outlined by the plaited crepe, are clever details. Lace medallions are in the panel and plaited cuffs finish the sleeves in harmony with the blouse.

Baseball's Bad Boy

Babe Ruth, who was recently fined \$5,000 and suspended indefinitely, has made his peace with Manager Miller Huggins by publicly apologizing for the things he said about the manager and for the actions which caused his punishment.

The Eagle covers the Vernonia trading zone adequately because it reaches the home of persons who have money to buy commodities. These people watch the advs. for special offerings. That's the reason it pays to advertise in the Eagle.

This old world is full of queer nuts, including the ones who can't enjoy an auto ride unless he drives carelessly.

They could save a lot of money on signs if they'd put them where you can park instead of where you

can't. Most of the violent exercise that is done around Vernonia in winter weather is done with a knife and fork. Medford ships 200 cars of pears.

DO YOU KNOW

- 1—The correct grade of Oil to use in your car—light, medium, medium-heavy or heavy?
- 2—Are you using more gasoline than is necessary on account of improper timing?
- 3—At what speed your car renders the best efficiency?
- 4—Are your pistons and rings worn out?
- 5—Is your clutch slipping?
- 6—Do your rear wheels "track" with the front ones?
- 7—Are your brakes too tight?
- 8—Is your carburetor set for winter driving?

Why not find out

Why not ask someone who knows — someone who makes it a business to doctor the ills of automobiles—and to keep those in good condition from declining? Drive in now—no charge for expert advice—and the most reasonable service rates in town.
