

**Father Sage Says:**

It takes a liar to catch a liar, as the small boy muttered when he followed father into the woodshed!

**Your Conversation "DAISY"**

Poets and lovers know quite a bit about daisies. The simple little flower is the subject of song and the oracle in uncertain love affairs. The name of this flower is an appropriate one. Originally it was called the "day's eye" because of the frank, open way in which it turns its face to greet the morning sun.

**LOOK OUT FOR SELF POISONING**

Neglect of the liver results in self-poisoning! Not so quickly, perhaps, but just as surely as if you drank poison out of a bottle. If your liver is not doing its work of helping digestion, eliminating waste from the bowels and purifying the blood, you will always be troubled with sick headaches, nausea, biliousness, bad breath, gas, sour stomach or constipation.

Cleanse and tone your liver. Put your system in condition so you feel your very best again. Try just a spoonful of Dr. H. S. Thacher's excellent Liver and Blood Syrup after the next few meals and notice the quick improvement in the way you eat, sleep, look and feel—the return of strength, vigor and energy. You will be completely satisfied; otherwise there will be no cost.

**FREE!** This Coupon is Good for Sample Bottle of Dr. Thacher's Liver & Blood Syrup if presented before the supply for free distribution is already given away. **EAGLE FEATHERS**

What we need in the United States is a week-end that doesn't keep the undertakers busy the week following.

Many a Vernonia man who feels that he is right doesn't go ahead because his wife insists that he is wrong.

Uncle Sam is trying to find a way to make paper money last longer, but not in the same way that we are. Who ever expected to live to see the day when a full-grown girl's knees would get as sunburned as her face and hands?

When a Vernonia man starts in to teach his wife to drive he discovers that losing control of the temper is as dangerous as losing control of the car.

There are plenty of leaders in America, but sometimes it looks as though there are not enough grievances to go around.

About the only excuse most taxpayers can find for wanting congress to get into session is to see what Dawes does to the senate.

We asked a Vernonia man yesterday what kind of rays are given off moonshine and he said he doesn't know unless it's hoorays.

Germany has paid a half-billion marks—but she hasn't paid the "easy marks" who invested in them. Some people are calling themselves "liberal" these days when if the truth were known they are so narrow they could poke their head through a knot-hole without touching the sides.

After he is dead and gone, we'll never need a big monument to remind us of the good example set by the Vernonia man who never speaks ill of anyone.

From the shakeup in Washington, as we understand it, the prohibition force isn't of much force.

An 80-foot sea serpent has been reported off the coast of Rhode Island. So that's where the rum fleet moved to, eh?

Our idea of the worst pessimist in Vernonia is the man who imagines that all men are crooks and all public officials grafters.

Figures for the first 10 years of operation of the Panama Canal show that at least one government utility is paying for itself.

Why is it that when you ask a man for the truth and he gives it to you straight nine times out of ten you won't believe him?

To our way of thinking, the Vernonia woman who has the courage of her convictions is the one who sticks up for her husband because she picked him out in the first place.

**Blouses Listen In on New Fall Styles**

The smart blouse pictured has a summery look, but, with a single change, it might pass, without criticism, in a procession of fall styles. If its sleeves were long it would embody several earmarks of the new modes. These may be summed up in the plain color of crepe chosen for it and by the embroidered, cross-bar pattern, which contributes an all-over design in two colors. The neck treatment and the tie are also "among those present" in the fall modes. As pictured, it is made of buff-colored crepe, cross-bands in brown and white silk, brown crepe tie with white monogram, and is a charming affair for late summer wear. Developed in flannel or crepe, with long sleeves, it will take its responsible place in the winter wardrobe. Striped and plain flannels might be combined in this model and there are many color combinations to choose from.

**NOTICE OF SCHOOL ELECTION TO INCREASE TAX MORE THAN SIX PER CENT OVER THAT OF THE PREVIOUS YEAR.**

Notice is hereby given to the legal voters of School District No. 47, of Columbia County, State of Oregon, that an election will be held in said District at Grade School on the 3rd day of October, 1925, at 2 o'clock in the afternoon, to vote on the question of increasing the amount of the tax levy in said District for the year 1925 by more than six per cent over the amount of such levy for the year immediately preceding.

ditional amount by special levy for the following reasons:

The increased cost of operating and the recovery of taxes not levied last year due to an oversight so that only \$3235.46 was levied for school purpose.

Dated this 1st day of September, 1925.

LILLIAN BROWN, District Clerk.
