

W. C. T. U.

"Our Motto—For God, our Country and Home."

Mrs. G. C. Olsen, Mrs. L. Hall and Mrs. H. S. Strong are attending as delegates of the local club the state W. C. T. U. convention at Hood River, from the 20th to the 23rd.

The opinion of Hon. Herbert Hoover, regarding the use of the cigaret among children is expressed in a letter recently written by him to President Coolidge. It is interesting to note that this well-known representative of the American people considers that, "There is no agency in the world today that is so seriously affecting the health, efficiency education and character of boys and girls as the cigaret habit." Mr. Hoover further points out that delinquent boys generally are cigaret smokers, and that cigarets are a "source of crime." It is especially gratifying that a man of such prominence should so declare himself in favor of higher ideals for our boys and girls.

"Drunk to the point of insanity" but who made the liquor that caused the insanity? "Drunk to the point of insanity" but who sold the poison that prompted the taking of the life of a fellow being? "Drunk to the point of insanity" but where were the officials that permitted a situation that made it easy for the murderer to secure the liquor that rendered him insane? "Drunk to the point of insanity" but how about the citizens who permitted the

election to office of officials who failed to guard against such a calamity?

CALL FOR WARRANTS

I have money on hand to pay the following endorsed county warrants All outstanding warrants in Road Districts No. 3, 7, 9, 13, 14 and General County Road Fund. Step into our shop some morning after 4 a. m., and get some of our delicious cake doughnuts, fresh out of the kettle.—Vernonia Bakery.

TO THE TAX PAYERS OF VERNONIA

We the budget committee appointed by the city council, have examined the expense items of the City of Vernonia and have reduced them to the lowest possible minimum

Its not up to the council to raise money to pay our interest on the bonds voted. Its up to you. We voted the bonds and they must be paid. This years taxes are the highest, and will be reduced as paving is now complete, water mains repaired, and such items which go with these activities. Come out and vote for both the charter amendments and the budget. Both must carry or the City of Vernonia will be bankrupt. The improvements are made and must be paid some time, don't live in a bankrupt town. C. S. Hoffman, Pres. of Budget Com Emil S. Messing, Sec of Budget Com E. S. Cleveland, F. E. Malmsten.

Livestock Prices Improve

If more of the dairy cows of the country, were examined from the critical basis of efficiency, as a factory is examined by the owner, there would be many of the cows for sale or trade. Inefficient sows for milk production are cutting down the incomes of thousands of dairymen.

The Bank of Vernonia knows that there is a constant need for improvement in dairy herds of this community as well as other sections. We are keenly interested in this profitable production and are glad to assist in building up and bettering the herds of farmers who are in our banking territory.

We urge every progressive dairyman to attend the Pacific International Livestock Exposition at Portland, October 31st to November 7th. Here not only the best beef and dairy Cattle will be exhibited but also the largest gathering of Hogs, Horses, Sheep, Goats and Poultry ever assembled under one roof in America. It is close at hand and offers a liberal education of inestimable worth.

Money Saving Skaggs Cash Stores

Bank the Difference---Yourself

Many a careful woman has built up a substantial bank account out of the savings effected by close comparison of values. Any woman can do the same thing if she will but devote a little study and effort to the matter. You can start right now. Select your supplies from this list and other equally good values you will find in all Skaggs Stores. Then, take the difference between what you have been accustomed to pay and the prices you pay at Skaggs—and bank it yourself.

SUGAR— 10 pounds	65c	Big "K" Flour— per barrel	\$9.89
