### LOCALS Picked Up About Town

The Eagle appreciates receiving little news items. Hand or send or phone us a personal. Of your visits or visitors, parties, dinners, weddings, births, sickness or accidents, any happenings of a newsy character. We appreciate it. With the help of the readers of the Eagle it will be a better NEWS paper.

An extra attraction, not on the program, was pulled in front of the dance hall last Saturday night, in the appearance of two pugilists. Several bloody rounds were successfully staged without interference and the evening continued to advance as if nothing had happened.

Mrs. B. J. Cline, with several young folks attended the Christian Endeavor Union convention at Rainier Friday, Saturday and Sunday. Among them were Thresa Bays, Catherine Hoffman, Della Cline and Maxine Elliott. Miss Della was successful in winning first prize in the oratorical contest.

A chicken dinner party on Thursday evening a fast week was greatly enjoyed by those in attendance. It was an affair of the American Laundry staff and the laundry workers were nearly all present. The party was held at the home of Mrs. B. H. Glover; cards were indulged in. Mrs. Glover winning the honors and Lee Waters the booby. A vocal solo was given by Emma Valentine. Those at the dining table were: Mrs. Margaret Coates, Mrs. A. Lester, Mrs. G. H. Garner, Mrs. Grace Burns, Mrs. B. H. Glover, Miss Gertrude Reynolds, Miss Emma Valentine, J. W. Beall, Jr., Roland L. Treharne, M. F. Rentfro and Lee Waters.

M. H. Gregory spent Sunday in Portland.

#### GET LEFT IN RAINIER

The County C. E. convention at Rainier last Saturday and Sunday was very well attended and successful in every way. Sixteen delegates from Vernonia attended. There was a slight mistake or blunder in the transportation of some of our delegates. Six young girls were provided with passage over on Saturday and were told that a car would come for them Sunday. In some misunderstanding the car failed to go and the girls were stranded in a strange town. One of them found an acquaintance who arranged for their return home on the late stage Sunday night, none the worse for their experience. A good time was reported by the delegates.

The Eagle recently added 600 new subscribers. Certainly a "Shoppers Guide" worth while. Read Eagle ads before buying for Christmas.

#### BADLY HURT

Verne Green met with a severe accident last Friday while working in the lumber camp. A falling limb got him and churshed one shoulder. He was immediately taken to a Portland hospital, and at this writing is reported as getting along very well.

#### MRS. ALLEN DIES

Word received today, says that Mrs. Ida Allen died at Kelso, Wednesday. Mrs. Allen formerly lived on the Rock creek road near Vernonia, going to Kelso about two weeks ago. The funeral services will be held this Friday at 1 p. m. at the Vernonia Evangelical church.

#### BAKERY TO MOVE

The Vernonia bakery has taken a lease for a period of years on the store room formerly occupied by the Silver Fox pharmacy, across from the Bank of Vernonia and they will move to their new quarters just as soon as new equipment can be received and installed, probably about December 15.

They will install a new oven of the most modern type with a capacity of 375 one-pound loaves at one baking. This, together with other up-to-the-minute equipment, will make their home bakery one of the finest and most modern bakeries in the state and they will be able to produce a product which will be second to none in quality.

#### POWDER EXPLOSION KILLS WORKER

A worker by the name of Ed Berenback, at the Carnegie camp, known as the old Beaver camp, near Vernonia, was instantly killed on Monday while shooting stumps. With a fellow worker, he had set powder under a big stump and went up to see if his charge had went out. As he bent over the charge, it went off, striking him in the head. Most of the head was blown away, the victim evidently never knowing what happened.

The big Oregon-American mill at Veronnia, running two shifts employing hundreds of men, the home Johnston-McGraw shingle mill continually operating and the old Vernonia mill starting up full blast by Mr. Lindsay, makes Vernonia quite an industrial city.

He: "Tough luck! Ten miles from town with a blowout and no jack."  
She: "Didn't you bring your check book?"—Oklahoma Whirlwind.

#### Dumb Bells.

What is a waffle?  
A waffle is a pancake with cleats. Naw, not so good—A waffle is a flapjack that has been run over by a new all-weather balloon tire with knobby tredas.

There are 6,500,000 farms in America, according to the Christian Science Monitor, and these use 1,200,000 automobiles and 680,000 trucks.
