CHURCH NOTICES

CHRISTIAN CHURCH

The Bible school last Sunday was very good and the attendance showed a marked increase over the preceeding Sunday. We feel the need of a new church home, but will make the best of our present quarters until we are ready for the better. Glad to note the loyalty of all children toward the school and we are going to have a warmer building from now on. The subject next Sunday will be one that will not only be interesting, but helpful to all who may come. "If I Were You." Did you ever hear any one make such a statement. Well come and see what the pastor has to say in the morning. Evening subject "The Church, the Divine Institution of God." You are welcome.
