#### CHURCH NOTICES

##### FIRST CHRISTIAN CHURCH Olava Curtis, Pastor

The good report of the Bible school last Sunday brought a cheer from the entire school. A very marked increase in attendance and offering proved to be of interest. The offering was over \$7. The school is now planning for a Christmas treat for the children. I have made promise that the building will be warm and comfortable. You can count on

a warm building next Sunday for both morning and evening. Morning "The Four Baptisms of the New Testament," evening "The Hand of God Witout His Name." There will be special music at both sermons.

#### NICE CHRISTMAS DISPLAY

M. G. Keller, of the "White Front Candy Kitchen," across from Gordons Furniture store has a Christmas display of Christmas candy that it is a pleasure to look upon. They make most of their own candies and for the holiday trade have some box

candy fit for a King. Fancy wooden boxes and pretty designs that make grand presents for any friend, sweet heart or relative. The White Front Candy Kitchen invites you to call and see their goods before completing your Xmas purchases. Candies, nuts, tobaccos and fruits for all occasions, in small quantities or large orders. The store and proprietor is full of the Christmas Spirit and have stocked up big for the trade. Go down to the White Front for some real good, as well as pretty, box candy, packed for gift giving. —adv. 181

#### RAINIER PEOPLE FILE PROTEST

Sidewalks laid in the city of Rainier during the past summer were accepted by the city council in spite of protests filed by property owners. The protests against the improvements included claims to the effect that the walks were not in accordance with specifications and plans filed with the city recorder. Protests against assessment rolls were heard, but no action has been taken. Claims were that the proposed assessment for street improvement exceeds the valuation of the property to be improved as shown by the last tax roll of the county.—Oregonian.

#### DEATHS

##### MILTON LARROY MCKEE

Milton LaRoy McKee, five weeks old son of Mr. and Mrs. John R. McKee, died Tuesday morning. The little baby contracted whooping cough and was not long for this world. The funeral took place at the cemetery Wednesday afternoon. The McKee family has the sympathy of the community.

##### MRS. F. F. TATRO

Mrs. F. F. Tatro, well known and honored among her many Columbia county acquaintances, died suddenly Sunday night. Mrs. Tatro was at the home of her sons in St. Helens at the time and with little warning that she was ailing, died in bed about eleven o'clock. Besides a son in St. Helens and one at Seaside, Mrs. Treharne of this community is a daughter. The funeral was held Wednesday afternoon in Vernonia, and the remains laid to rest beside that of her late husband, in the Vernonia cemetery.

Another advantage a man has is when he goes visiting he usually hopes they are at home.

#### BRAKEMAN LOOSES ARM

Dave Marchand, brakeman for the Deer Island Lumber company railroad, lost an arm last Thursday morning as the result of being rolled from a car with a load of logs which broke loose when the car was derailed. He was taken to St. Vincent's hospital, Portland, where the arm, which was mangled either by the logs or by wheels of the train, was amputated. His condition is serious. The accident occurred on the main line about 7 o'clock in the morning.
