The Eagle covers the Vernonia trading zone adequately because it reaches the home of persons who have money to buy commodities. These people watch the advs. for special offerings. That's the reason it pays to advertise in the Eagle.

Gladys says she knows a girl who thinks that a board of directors is a crossroads signpost.

In the Boston Museum of Fine Arts, there is an Egyptian wooden coffin 3,900 years old. The drawing and painting on it are in a wonderful state of preservation. It is said to be the most important sarcophagus yet found.

The descendants of Confucius are well known in China today.
