Mrs. Marie A. Hanson of Portland was in Vernonia the past week in the interest of the "Woodmen Circle," with headquarters in Omaha Nebraska. The Woodmen Circle is the ladies auxiliary to the Pacific Woodmen of Omaha and Mrs. Hanson has some very attractive policies to offer the ladies. Mrs. Hanson was fortunate in meeting several ladies here who have been members of the order for a good many years. If there are some whom she failed to find she will be pleased to have them leave their name and address at this office, as she will be here again this week.

PUBLIC OPINION

Our friend Mr. Cropper, who hales from the South, where it really gets hot and stays hot, evidently suffered during Oregon's couple day exceptional heat wave last week, and wrote the following:

"Who said it is cool in Oregon?" If I was sure of going to hades when I cross the river of Sty. I would sure carry a pair of blankets with me after spending the summer in Oregon with records showing 120 in eastern Oregon and 103 in Vernonia in the shade. (shade mind you) We had to put the thermometer in ice water to keep it from blowing up on the 10th inst. Down in the sunny South we would not stand for such hot weather. "No Suh." I surely prevaricated or made a huge mistake when I said the climate had changed. No cold or hot weather in Oregon. As so many southerners had located here and brought the southern clime with them they must be mixed with some returned from hades, who brought its temperature with them.

We need an ice plant here, anyone starting such an enterprise can make a fortune as there is no such establishment in hades or Vernonia. It would be a boon to humanity and a financial success so let some phil-

anthropis or enterprising citizens show himself and work for humanity and lucre. I make this retraction to square myself with Oregon and the South as I do not want to be called a Baron Von Schausen or those of Biblical fame. B. V. D's and feather weight skirts are in demand. J. E. CROPPER

CHURCH NOTICES

The Sunday services will be as follows. Sunday school at 9:45 a. m. The Evangelical league of Christian meets at 7. p. m.

PRONUNCIATION AID

June Webster, descendant of the famous lexicographer, Noah Webster, presents a copy of her ancestor's work to the Publicity Department of the Sesqui-Centennial International Exposition Association to help them in pronouncing properly the name of the big event which opens June 1 to celebrate the 150th anniversary of the signing of the Declaration of Independence. There are many types of pronunciations heard but there is just one proper way Noah says. It is "Ses-Kwah-ken-ten-nial" with the accent on the first syllable of the "Sesqui" and on the second syllable of the "centennial."

The morning hour of worship will be at 11 o'clock. The pastor will speak at the 11 o'clock hour on the theme "The all Inclusive Promise."

In the afternoon at 2:30 Rev. Phelps will deliver his message to women and girls of high school age on the theme "Are Women losing their grip on Morality—Why?"

At the 8 o'clock service Rev. Phelps will speak on the theme "Is it reasonable to believe in a personal god?"

We extend a hearty invitation to all to come and enjoy these messages. Seldom Vernonia has the privilege to listen to a man like Rev. Phelps. Wm. F. Rademacher, Pastor.
