Keep Fit!
Good Health Requires Good
Elimination.

To be well, you must keep
 the blood stream free from
 impurities. If the kidneys lag,
 allowing body poisons to accu-
 mulate, a toxic condition is cre-
 ated. One is apt to feel dull,
 languid, tired and aching. A nag-
 ging backache is sometimes a
 symptom, with drowsy head-
 aches and dizzy spells. That the
 kidneys are not functioning prop-
 erly is often shown by burning
 or scanty passage of secretions.
 If you have reason to suspect im-
 proper kidney functioning, try

For Weak, Ailing Women
 San Diego, Calif.—"Dr. Pierce's Favo-
 rite Prescription is an excellent tonic
 and nerve for women. I got all
 rundown, weak and
 nervous, had severe
 backaches and bear-
 ing pains in my
 side. I took the
 'Prescription' and it
 proved very bene-
 ficial, relieved me
 of my inward trou-
 ble, strengthened
 my nerves, and
 helped my whole physical make-up. I
 think the 'Favorite Prescription' is the
 best medicine any weak and ailing
 woman can take. It builds up and
 strengthens the nerves and makes one
 feel better in every way."—Mrs. A. J.

THREE UNUSUAL DESSERTS

Every woman likes to have at her
 finger tips a few "sure-fire" company
 desserts—to give
 confidence in times
 of stress. These
 three are simply
 delicious and
 they're so easily
 made that you can
 treat the family
 any day in the
 week without wait-
 ing for Sunday.

Lady-Finger Pudding.—Split twelve
 lady fingers, spread with jam or jelly,
 and put together again. Make a soft
 custard of one-half cupful of sweet-
 ened condensed milk diluted with one
 and one-half cupfuls of hot water, three
 egg yolks, one-eighth teaspoonful of salt
 and one teaspoonful of vanilla. Place
 a layer of the lady fingers in bottom of
 buttered dish and cover a meringue
 custard; repeat. Make a meringue of
 two egg whites, stiffly beaten, and four
 tablespoonfuls of granulated sugar.
 Cover top of pudding. Bake in a slow
 oven until meringue is slightly
 browned.

Southern Pecan Pie.—Dilute three-
 fourths cupful sweetened condensed
 milk with one and one-fourth cupfuls
 hot water and bring to scalding point
 in a double boiler. Cream two table-
 spoonfuls butter, add four table-
 spoonfuls flour gradually, then two egg yolks
 slightly beaten and one-fourth tea-
 spoonful salt. Pour scalding milk over
 mixture gradually, stirring constantly;
 return to double boiler and cook
 fifteen minutes. Remove from fire, and
 add three-fourths cupful pecan meats
 cut into small pieces, and one tea-
 spoonful vanilla. Pour into a baked pastry
 shell and cover top with meringue
 made of two egg whites stiffly beaten
 and four tablespoonfuls sugar. Brown
 lightly in a moderate oven.

Pineapple Tapioca With Custard
Sauce.—Dilute three-fourths cupful
 sweetened condensed milk with two
 and one-fourth cupfuls hot water, stir-
 ring well. Bring to scalding point in
 a double boiler. Add three table-
 spoonfuls quick-cooking tapioca, one cupful
 grated or crushed pineapple, and one-
 fourth teaspoonful salt. Cook one-
 half hour. Remove from fire and fold
 in two stiffly beaten egg whites. Chill.
 Make sauce as follows: Dilute one-
 half cupful sweetened condensed milk
 with one cupful hot water. Bring to
 scalding point in a double boiler. Pour
 slowly over two beaten egg yolks to
 which one-eighth teaspoonful salt has
 been added. Return to double boiler
 and cook until mixture coats spoon,
 stirring constantly. Strain, cool and
 flavor with one teaspoonful of vanilla.

 Director of Good Housekeeping.

GOOD EVERYDAY DISHES
 On the day that fresh gingerbread
 is baked, serve it with cottage cheese
 and apple sauce as a des-
 sert.

Casserole Chuck
Steak.—Cut a slice or
 two of chuck at least
 two inches thick and
 large enough to fill a cas-
 serole. Brown well in a
 little suet, place in the
 casserole with enough
 hot water, meat or vegetable stock to
 cover. Cover closely and simmer
 until tender in a hot oven. An hour be-
 fore serving add six small whole
 onions, a few sliced carrots and po-
 tatoes; continue cooking until the
 vegetables are tender. Thicken the
 gravy and serve from the casserole.

Prune, Raisin and Cheese Salad.—
 Clean and steam two cupfuls of
 prunes. Remove the pits and fill with
 a mixture of chopped raisins, using
 one cupful; one-half cupful of grated
 cheese and one-half cupful of chopped
 nut meats. Arrange on lettuce with
 stalks of shredded celery and serve
 with boiled dressing.

Pineapple Delight.—Rub a salad
 bowl with a cut clove of garlic, then
 add one cupful of finely shredded
 cabbage, one-half cupful of finely cut
 celery and one-half cupful of sliced
 pineapple. Arrange on lettuce, serve
 with French dressing and garnish with
 slices of red pepper.

Stuffed Cabbage.—Remove the outer
 leaves of cabbage and wash them
 thoroughly. Heat two tablespoonfuls of
 oil and brown one chopped onion and
 a clove of garlic, also chopped. Add
 one-half cupful of washed rice, stir-
 ring carefully until the rice is brown.
 Add one cupful of chopped mutton and
 enough stock to cover the rice. Sim-
 mer slowly until the rice is tender,
 season with salt and pepper. Fill the
 cabbage leaves with the rice mixture;
 if too crisp wilt them in hot water.
 Roll up and tie, simmer for thirty
 minutes, turning occasionally. Serve
 with the gravy poured over the rolls
 after removing the strings.

Hash.—A well prepared and cooked
 dish of hash is a food that should be
 treated with respect, for it is a most
 tempting, savory and wholesome dish.
 A hash prepared from the meat and
 vegetables left over from a boiled din-
 ner is hash par excellence.

Popular San Diego Woman
Recovers From Long Illness
Amazing Improvement in Mrs. Jester's Health Surprises
Friends. Serious Ailments Caused by Nervous Break-
down Relieved and Strength Restored by Tanlac
Looks and Feels Better Than Ever

"Tanlac has certainly done won-
 ders for me; I cannot praise it enough,"
 declares Mrs. T. D. Jester, 1268 Penn-
 sylvania Avenue, San Diego, Calif.
 "I had suffered a nervous breakdown
 and for many months afterward I
 continued to get worse and worse,
 despite all the different nerve medi-
 cines I tried. Nothing seemed to
 help until I tried Tanlac.
 "I was as near to being a complete
 nervous and physical wreck as I could
 be, without entirely collapsing. The
 slightest noise would make me want
 to scream, and after retiring it would
 be hours before I could sleep. I would
 awaken with terrible nervous head-
 aches and the slightest exertion would
 tire me out so that I would be trem-
 bling. I lost weight and appetite. I
 tried Tanlac with little expectation
 of improvement.
 "Before I had taken all of the first
 bottle, I developed a ravenous ap-
 petite, and was sleeping better. I con-
 tinued to improve rapidly and felt
 like a different person entirely. In
 less than three weeks I had gained
 seven pounds! Later, my weight
 went up from 105 to 125 pounds.
 "If your troubles are similar to those

from which Mrs. Jester suffered so
 keenly, get relief before it is too late!
 Tanlac will doubtless help you just as
 it helped Mrs. Jester—and as it has
 helped thousands of other sufferers.
 Tanlac is a pure and wholesome
 compound, made from herbs, roots
 and barks, according to the famous
 Tanlac formula. It is a wonderful
 tonic medicine, for run-down and nerv-
 ous conditions and for digestive dis-
 orders. All good druggists sell Tanlac
