"Restoration Months" Decried
 February and March are designated as "restoration months" by the supreme lodge Knights of Pythias and activities set in motion have as an objective the restoration of a half million members who have been suspended in the last few years for non-payment of dues. The program is being directed by Supreme Chancellor Richard S. Witte, Milwaukee, Wis., and every lodge in the United States and Canada is expected to make a concerted effort by establishing personal contact with all former members. Coincident with this campaign the lodges are asked to institute a drive to conserve membership by collecting dues early in the year.

world there, among them the Comrade John Hay who has a corner on the shingle market, and "Pat" Murphy who has been trying for the past five years to learn how to spell the word "Legion." Five years ago he painted a sign for the American Legion and made his first mistake. He has made them ever since.
 The activities of the Legion are many now. We have many programs to fulfill and there is lots doing. We need the assistance of every Legionnaire at the meetings. If you are an ex-service man and a Legionnaire and do not get out to the calls you can't expect to get any consideration if you come around and say "Why didn't you do this and why didn't you do that."
This Week's Poem
 Out on the air the cry rang wild;
 "Switchman, switchman, save my child!"
 Schwab threw the switch in the bat of a lid,
 Killed eighty people, but saved the kid.
 Comrade Carkin is going to start a class in speech making and speech delivering. According to Comrade Carkin there are two distinct different branches. He made the remark that anyone can usually make up a speech but the art of delivering it takes practice.

The Christmas season was a very happy one at the home. They all met in the school auditorium on Christmas eve for a Christmas tree and entertainment. On Christmas each of the cottages had a tree and dinner. Through the generosity of Mrs. C. S. Jackson every cottage had a turkey and all the fixings that go with it and other friends supplied all the oranges, candy and nuts that were needed.

Eyestrain is a Thief
 It robs you of one of the chief pleasures of life, good vision. It places a heavy burden, on the delicate eye structure, causing headache, nervousness, sick stomach and that tired worn out feeling coming on, especially in the afternoon and evening. The only known remedy is properly fitted glasses, which give the much desired relief and comfort. Have your eyes examined, and learn the cause of your trouble. See Dr. Luzader Eyesight Specialist at Kullander's jewelry store. Vernonia, Monday and Tuesday February 7 and 8. Please make appointment with Mr. Kullander to avoid waiting.

VERNONIA BOY SCOUTS
 The Eagle patrol and Red Fox patrol are running the gauntlet for the best patrol. Neil Bush is the patrol leader of the Flying Eagle patrol. William Culver is patrol leader of the Red Fox.

This troop has postponed their annual rally until Monday, February 7, on account of sickness.

The troop will give the local fire department a red light to direct any person to the fire switch. The scouts in the near future will canvas a fire protection campaign, under the direction of the fire chief and assistant Scoutmaster Wardle. The scouts will endeavor to teach the community fire protection; it's dangers and remedies. The Flying Eagle will have the territory north of the bridge and the Red Fox south of the bridge.
 A new member was enrolled in the troop at its last meeting.
