"Inside" Information

When a recipe calls for soft wheat, or pastry flour, and you have only hard wheat or bread flour on hand, decrease the amount used. Fill a cup with sifted flour, level it off, and take out two level tablespoons from each cup being used in place of soft wheat flour.

If canned beans in glass have been frozen they may be used provided freezing did not break the jars or loosen the seal in any way so as to cause the product to spoil. All canned vegetables should be boiled for five minutes after the jars are opened, before being served in any way.

To make hard sauce that is different, use brown sugar, and grate into it a little orange rind for flavor.

Transformer That Burned out Was New

A communication was received Saturday from S. G. Ward, manager of the Graybar Electric company of Portland as follows: "Lloyd R. Smith, receiver for the Vernonia Light & Power company, recently ordered two 15 KVA, 11,000, 220-440 volt transformers for shipment to Vernonia.

"We understand that one of the transformers burned out and that it has been rumored that they were second hand or used transformers.

"I am writing this letter to assure you that both of these transformers were brand new, never having been in service before, and both were shipped direct from the warehouse at San Francisco to the Vernonia Light and Power company."

CARD OF THANKS

To our neighbors and friends of Vernonia.

We extend our heartfelt appreciations and thanks for their loyal service and help during the illness and death of our beloved daughter Geneva.

Mr. and Mrs. C. Nichols and Family.

The Majestic

"The Perfect Sap," a mystery-comedy-drama, packed with fast moving action, laughs and mystery enough to hold any audience in suspense, is the attraction at the Majestic Saturday. Ben Lyon is featured as a would-be detective who clashes with some of the underworld's chief crooks.

One of the most picturesque characters ever to step from the pages of Zane Grey story onto the screen is that of "Colorado Rudd," hero of "Born to the West," at the Majestic Sunday, ably portrayed by Jack Holt in Paramount's picturization of the novel.

If you don't like war pictures, don't let that fact keep you away from "Tin Hats," for in spite of the title, there are no actual war scenes included. It is as delightful a comedy as ever seen, and will keep enthusiastic audience near hysteria Tuesday and Wednesday nights at the Majestic theatre where it will be shown for the first time.

The entire west was scoured to procure the scenic wonders displayed as a background for "The Desert's Toll," a Metro-Goldwyn-Mayer production starring Francis McDonald, which will be the feature attraction at the Majestic theatre Thursday and Friday. Seldom has a motion picture been so lavish with scenic splendor.

CHRISTIAN CHURCH

The splendid interest that is manifest in the Bible school is very encouraging and we are looking forward when we will have more room. Every thing points to a near future when we will enjoy the new church home and we extend a very cordial welcome to all who are not attending Sunday school elsewhere.

Next Sunday the pastor will preach on a very important subject in this day and age, and invites the public to hear this message—"The Home Life."

Endeavor at six-thirty.

A blackboard hung in the kitchen is helpful for noting down supplies needed, the menu when different ones are to prepare part of it, errands to be done, or interesting family events to be announced. It makes some of the routine work more fun and less drudgery to assign it to different ones by means of a bulletin board.
