Our contention that Mother's Bread is good bread is borne out when we have regular customers who live in Portland and who buy Mother's Bread every time they are in Vernonia. They tell us it is the best bread they ever ate and they wish they could buy as good in Portland. When such customers have dozens of different kinds of bread to choose from in Portland does it not indicate to you that Mother's Bread is really good and way above the average?—adv.

These summer days are the days when it is nice for the house-wife to loaf a little. Why stand over a hot stove and bake when you can buy such delicious bakery goods of all kinds from the Vernonia Bakery. Only quality ingredients enter into our goods—you could buy no better yourself and the goodness of the finished product is beyond question—adv.

Successful rabbit raising requires good stock and proper management. The American White, American Blue, New Zealand White, New Zealand Red, White Flemish, and Chinchilla rabbits are the varieties most extensively bred in the United States for meat and fur. Rabbits of these varieties are usually bred at from 7 or 8 months up to 4 years of age. Four litters a year are raised ordinarily.
