A GOOD EXAMPLE

The recent awarding of prizes on the Oregon-American hill to families having the best appearing lawns and gardens is a good lesson in civic improvement for any municipality to follow. It would be a credit to Vernonia to emulate the good example already set by the mill folk.

Although the fostering of such a movement would seem to naturally fall the Chamber of Commerce, it is not necessarily their job any more than that of any other organization who wishes to work for the good of the community.

It could well be made a feature of an annual flower and garden show in Vernonia, an attraction that would be well patronized, according to the interest shown in Nehalem valley agriculture and floriculture. In that event it would not be a difficult matter to raise the money for the awarding of prizes for the best lawns and gardens.

In dressing up a community the standards of civilization and living are immeasurably improved. The council could not pass and enforce laws that would have as good an effect upon improving the appearance of a city as the development of pride among the residents brought about by competition.

A town kept clean is also the best preventative against the spread of any contagious disease.

The fool who has been parted from his money always feels cheap.

You hear a lot of talk about selfmade men, but all men are that.

Experts think the old-fashioned dance is coming back, but we don't.

If you want to make someone believe you tell them something they want to hear.

Women are wise in not taking much time to reply to the chronic criticisms of men.

Honesty may be the best policy, but telling the truth isn't always exactly polite.

Complaints help to prove that there are many persons who are poor sports in various ways.

About the hardest thing to cure is injured feelings.

As life draws to a close some men take up religion; and some take up golf.

Days are so short. Right after supper it is dark enough to go joy riding.

You can be an idealist, however, without slipping the other fellow all the aces.

The "charming naturalness" you like in a girl cost her many weary hours of practice.

"Money is easy," says the market report, but it is hard for some kind of borrowers.

Many a small boy is kept in after school because his father worked his arithmetic wrong.

Cement makers use 14,000,000 pounds of dynamite a year. May we say their business is booming?

Science, says a nature magazine, has found no practical use for the jelly-fish. Well, neither has public life.

Hero: One who grinds our axe. Crime against civilization: The act of grinding the other fellow's axe.

There are two kinds of men: Those who think the world is going to the dogs, and those who are too busy to worry.

The Majestic

"Hard Boiled Haggerty"

A fall in a burning aeroplane is one of the thrills of "Hard-Boiled Haggerty," Milton Sills' latest starring vehicle for First National Pictures, which is playing at the Majestic theatre Saturday.

"Easy Pickings"

The lights go out! Through a secret panel comes a blackmasked, black-robed, hooded figure! That's just one of the many breathtaking thrills in "Easy Pickings," First National's offering at the Majestic theatre Monday, with Anna Q. Nilsson in the featured role.

"Rough House Rosie"

Clara Bow rode the roller coaster at one of the beach resorts near Hollywood until she was all but seasick while filming her newest starring picture for Paramount "Rough House Rosie" the swift-moving comedy which reaches the Majestic theatre Tuesday.

The story of how the United States beat a number of other nations in its seizure of California in 1846 is shown in "California," Tim McCoy's latest Metro-Goldwyn-Metro historical Western drama, coming to the Majestic theatre Thursday and Friday. American forces, by sea and land, converged on that rich territory exactly twenty-four hours before the arrival of a fleet which was planning to plant the flag of a great European nation.

tion. In "California," Tim McCoy plays the role of an American officer and Dorothy Sebastian is seen opposite him in the role of a Spanish senorita.

Police Notes

Marshal Kelly assisted by Deputy Phelps raided the Noodle Parlor Saturday night and arrested four Japs for gambling. K. Kay, K. Kawakami and H. Ono plead guilty and were fined \$7.50 each by Judge Reasoner. F. Kuramusi was found not guilty.
