

# SKAGGS SAFEWAY STORES

*Distribution Without Waste*

## Our Sales Increase

The first six months of this year the total food sales of this organization increased more than 35 per cent over the same period of last year. We sold more than thirty-five million dollars' worth of foods between January and July, 1927. During July and August our sales have exceeded, by far, any similar period in any previous year. The greater economies and better methods possible through thousand store power merchandising combined with the unequalled courtesy and efficiency of the Safeway Man are, in our opinion, the reasons for this phenomenal growth. Are you sharing in its benefits?

News of Vernonia Schools

#### Few Lettermen in Football Lineup

(By Clarence Wardle)  
Football at the high school is at a disadvantage since the absence of Coach Austin, who has a bad case of blood poisoning. The high school lost the majority of lettermen, those returning being: Morris Bennett, Clarence Wardle, and Gilbert Bergerson.

The lack of lettermen mean new material to coach and less experience in the game, yet they are considered to have a good chance for the team is heavy and the experienced players are in the back-field.

Though no games have been scheduled yet, the Clatskanie, St. Helens and Rainier teams have more old players back to give stiff competition.

The following have turned out for football: Donald Hodges, Morris Bennett, Clarence Wardle, Gilbert Bergerson, Norman Green, Ward Gooding, Allen Ray, Shelby Cook, Ralph Peck, Veldon Parker, Edward Roles, Oliver Mellinger, Archie Adams, Glenn Hieber, Robert Laird, Neal Bush, Larry Marshall, Jack Marshall, George Albert, Junior Bennett, William Washburn, Robert Holemb and Gloyd Adams.

The juniors have two new students enrolled in their class. Jack Ozment of Doucette, Tex., and Beth Critchlow of Durkee, Ore.

#### SOPHOMORE NEWS

(By Charlotte Green)  
The sophomores have been very busy during the past week planning the freshmen initiation. Neal Bush, Stanley Garner, Billy Culver, Merle Mills, Dorothy Holtham and Charlotte Green were appointed to make the plans.

A sophomore meeting was held Friday to gain the cooperation of the whole class for freshmen initiation.

The English III classes have been busy writing themes for the past two weeks. Betty Campbell of Keasey has written the best to date.

Bodie Hieber, while playing football last week, pulled the ligaments loose from his finger.

Dorothy Holtham and Catherine Hoffman hiked six miles Sunday. They had the excitement of seeing two accidents on the road.

## Now-an even better car at even lower prices

Since its first day before the public, the Pontiac Six has been scoring a series of triumphs. First came the triumph of its introduction, which resulted in world record sales for a new make of car! Then came a steady succession of important improvements in quality, luxury and convenience—

—improvements that resulted in smoother operation and greater handling ease, in greater comfort, greater economy and greater owner pride—in higher standards of quality and higher levels of popularity!

And now Pontiac Six again represents a sensational new standard of value—the result of this notably finer quality, combined with beautiful new Duco colors on bodies by Fisher, at lower prices on all body types.
