### Seniors Choose Colors; First Rally Friday

(By Ralph Peck)  
 The president called a meeting of the seniors last Thursday and the class colors were picked out. They were: silver and coral.

The school is going to hold their first rally Friday. This rally will be held to get more spirit for the football game against St. Helens, Saturday. The whole student body will leave the high school at 3:30 and march over town and give a few yells.

As will be the first game of the season and the team will need a great deal of help if they beat them.

Eva Roles left Wednesday for Walla Walla. She is going to work in a store for her uncle there and go to school. Everyone was surely sorry to see her go and wished her a good time.

### Freshmen Objected to Wearing Green Ties

(By Larry Marshall)  
 Last week was initiation week for the freshmen by the sophomores. They did not like it very much and had a scramble Tuesday because they didn't like to wear green ties. The week was ended by a party for the freshmen given by the sophomores. It was enjoyed very much. Several of the boys were picked up by seniors and juniors but they were not hurt.

There were many absent during the week. Helen Imbeck was absent Friday because her grandmother died. Bruce Cummings was absent the latter part of the week because his father and sister were ill.

### Junior English Class Studying Journalism

(By Frances Lappe)  
 A meeting of the juniors was called by the president, Della Cline, on September 23 for the purpose of deciding whether or not to get class rings or pins. After some discussion the class decided to get neither pins or rings.

The junior English class is taking a twelve weeks course on journalism. During the week ends they gather news and some of it has been good enough to be put in the Vernonia Eagle. Also one of the classes has been asked to write an article for the Oregonian.

### Girls Increase Percentage Yearly Carnival October 14

(By Della Cline)  
 Plan To Start Cafeteria

The number of girls registered in the high school is twenty-two more than the number of boys, there being 88 girls and 66 boys. Last year there were 10 more girls than boys registered.

A cafeteria will probably be a part of the school program in the near future. Mrs. Brewer and her domestic science class will have charge of it, and it will be managed in such a way as to be self supporting.

This will prove a great convenience to the pupils who come from the country. Light lunches will be served cheaper than such lunches can be prepared at home.

The Vernonia high school will give their annual carnival October 14.

The V. H. S. football team will play their first game of the season with St. Helens Next Saturday afternoon at 2:00 o'clock sharp.

The high school gymnasium has been sealed and painted on the inside and is now being boarded on the outside. When this is done the gym will be completed.

A new cork rug was put on the incline in the high school building last Friday.

Miss Perce's art class has been showing some very good talent since the class has been organized. Various pictures are put on the wall for display each day.

### Sophomores Entertain Freshmen at Party

(By Charlotte Green)  
 The sophomores gave a party for the freshmen Friday night, September 23. Part of the freshmen played games while the others were being initiated. Songs were sung by all, while the ice cream and cookies were served. At 2:30 the party adjourned.

Ten of the sophomore girls have moved downstairs into the old typing room to make more room for the freshmen. They are being put upon their honor as the seniors were before.

### Vernonia Will Play St. Helens Saturday

(By Clarence Wardle)  
 Vernonia high school starts the season's football with a stiff game against St. Helens, but has the advantage of playing on the home grounds. It is expected that this will be one of the fastest games of the season, inasmuch as St. Helens lost but few of their lettermen of last year, while Vernonia has quite a green squad.

Coach Austin is now here, having arrived Thursday. The team is in fine condition and claim that they have fight enough to tackle West Point. The line averages about 170 pounds and the backfield 150 pounds.

On interviewing Donald Hodges, veteran fullback, he stated, "Sure to win, plunge of line is wonderful. There is no doubt of touchdown in first quarter."

Coach Austin says, "I feel that the game is ours though it will be an interesting fight."

The following lineup is expected for the game: Gooding le, Bergerson, It. Mellinger lg, Ray c, Cook rg, Roles rt, Adams re, Parker lh, Hodges f, Bennett q, Wardle rh, Heiber and Green, sub.

The game is called for 2 o'clock sharp at the ball grounds, and the school is looking for strong support from the student body as well as the town folks.

### High School Needs Larger Library

The junior class of Vernonia high school was asked to write a news story on an improvement to the high school. One student wrote the following:

"The Vernonia high school needs more books for its library. Each year the students of the history and English classes are delayed because they do not have enough books for reference work or outside reading. Although we have some very good books for this purpose. We do not have enough for each pupil to have one for even the short period of one week."

### The Most Attractive Room in the Building

(By Myrtle Hall)  
 Miss Perce's room on the south side of the Vernonia high school has the most attractive appearance of any room in the building.

The floor and Miss Perce's desk are always neat and clean and the books on the desk are attractively arranged. The art drawings above the front and side blackboards are carefully hung in a straight row, giving the room a progressive as well as an attractive appearance. There are also lovely paintings on the walls. Some of these were drawn by the art class. A last attractive touch is added by the vases of bright flowers on the desk at the front of the room.

### NATAL

Mr. and Mrs. Ed. McMullen and daughter Evelyn were evening guests at the home of Carl Her recently.

Mr. and Mrs. Schooley are expecting to move to this neighborhood soon. They will live in the little house built near the Natal school where their daughter Jenny is teaching again this year.

Born; To Mr. and Mrs. J. L. Logsdon of Mt. Sterling, Ky., a boy, who tipped the scales to 10½ pounds. He will be called Joseph Lincoln. Mrs. Logsdon will be better known to her many friends as Miss Esther West of Clatskanie.

Mr. and Mrs. Victor Tichnor and Mrs. Vincent Tichnor were picnic-

ing in the Natal grove Sunday. Mr. and Mrs. Holding went to St. Helens Tuesday going around by Clatskanie and back the St. Helens and Pittsburg roads. Miss Schooley spent the week end at her home in Scappoose. Mr. Holding called on Frank Peterson one evening last week. Mr. and Mrs. Wm. West of Portland and Mrs. Grover Devine of Mist called on Mrs. Holding Sunday.

### The Majestic

"Is Zat So?" George O'Brien, Screenland's most perfect athlete, has the stellar role of a pugilist in Fox Films Comedy Drama, "Is Zat So?" which is coming to the Majestic theatre Saturday.

"For the Love of Mike" tells an amusing story of three old men, one a Jew, the other an Irishman, the third a German, who find an abandoned baby on their doorstep and bring him up until he goes to college, and then returns to marry the little Italian girl who lives next door. Here Tuesday and Wednesday.

"Heart of Maryland" Dolores Costello, star of Warner Bros., "Heart of Maryland," which comes to the Majestic theatre Thursday and Friday, has never been so appealingly beautiful as in the role of Maryland Calvert, the girl, who, while passionately loving the south, found her heart divided against itself in love for a soldier of the North.

EVANGELICAL CHURCH Sunday school at 9:45. Preaching by the pastor, G. W. Plumer, at 11 a. m. An illustrated sermon on "The Result of Sin and God's Power to Save." This is given to help children to better understand. At 8 p.m. there will be an evangelistic sermon. Christian Endeavor at 7 p.m. All are invited to any and all of these services.

### Farm Market Review

Oregon Agricultural College Extension Service  
 Grain. The market for both wheat and rye held generally steady last week. Barley and oats tended upward. There was no material change in the general wheat market situation. Movement to market was about twice as heavy as last year. Mills were the principal buyers. Substantial premiums were paid for high protein. The supply of high grade soft winter wheat continues below the demand in St. Louis territory and soft wheat is being shipped from Pa-

cific Northwest territory to supplement the supply. Reports of corn weather were mixed and prices fluctuated widely. Barley and oats tended upward on light receipts and an active demand. The flax market weakened by increased domestic receipts and lower foreign prices.

Feeds. The feed market was generally firm with demand more active, but wheat feeds went lower. Alfalfa meal continued quite firm with an excellent demand at Kansas City where choice meal was quoted \$2.00 above number one which was worth \$23.50. Wool. Reports indicate continued strength in the wool situation..
