Riverview
Via Throop Celebrates With Birthday Party

Via Throop celebrated his twelfth birthday Sunday and received from his grandmother, Aunt Sally Spencer a beautiful Elgin wrist watch for his birthday present. Some of the guests attending his birthday party were Mr. and Mrs. Plumer, Grandma Rogers, Mr. and Mrs. Robert Spencer and family and Grandmother Sarah Spencer.

Roads at Riverview are being cleared of the heavy snows, thank to the good work the grader has been doing.

The Johnson McGraw shingle mill which had been shut down for the last two weeks due to weather con-

ditions has resumed operations.

Eaton Johnson family has moved to St. Helens where they will make their home with Mr. Johnson's mother.

Asserting that he is cutting his second set of wisdom teeth Uncle Paul Terrian, claims to be the wisest man in this vicinity, and is only 72 years old.

Dr. Hall's car was stalled on the Pebble creek road last week, while answering a call to the George Terrian house and had to wait all night on the road until the wrecker brought his car into town the following a.m.

J. W. Howell spent Sunday at the home of B. T. Hall.

During the past week many strange things have occurred in this vicinity, as the burning of the

old John Baker bar, shooting of wild horses and various other pranks which made the officers of the sheriff's office at St. Helens decide to question some boys of this neighborhood.

Minnie Hall and Mirty Cline visited Mrs. Minnie Malmsten, Tuesday at her home in Vernonia and reported Mrs. Malmsten as progressing from her recent illness.

Mrs. Rhoda Hall is staying with her sister Mrs. B. T. Hall, and is taking care of her while she is convalescing from an operation.

Della Cline of Vernonia visited with Isola Hall over the week end.

Therlow Weighberg has returned from Washington, where he has been working in a sawmill for the past few months.

Jewel Loyd, Lois Peck, Roy Holister and Alice Rundell, coasted down the Condit hill last Friday night and reported as enjoying a joyful evening.

children Lee, Jaunita, Velma; Mr. and Mrs. Dean Duvall and son Alvin Dean called at the home of Mr. and Mrs. H. Harold Christie Saturday evening. The evening was spent playing cards and listening to the U. of O. and O. S. C. basketball game over the radio.

Archie Adams called at the home of Mr. and Mrs. T. L. Gosa Sunday.

William McCormick, Les McCormick, A. R. Lundeen and Q. A. Young from I. P. camp attended the meeting of the Masonic lodge in Vernonia Thursday evening.

Mr. and Mrs. Orville Young called at the home of Mr. and Mrs. Ben Stoops Friday evening.

Al Anderson left for a few days visit in Portland during the shut down of the L-P. machine shop.

Mr. and Mrs. Ben Stoops are Portland visitors during the shut down of the camp.

Mr. Aldridge of O.-A. camp returned from his home in Portland Sunday.

Sy. Shaw, Mr. Manning and A. Dugan were in Vernonia Friday. All are from the East Side Logging company.

Q. A. Young, J. S. Johnson and John Armstrong are furnishing much amusement at the Immanuel camp with their new skis.

Mr. and Mrs. Harry Wilson, formerly of the O.-A. camp moved to Portland where Mr. Wilson has accepted a position as salesman.

The friends of Mrs. Harry Wilson will be glad to learn that she is recovering nicely from an appendicitis operation at St. Vincent hospital in Portland.

Mr. and Mrs. Dudley Nickson returned Monday from their tour of California and Mexico. They report that the iron horse still runs fine.

Carl Lehman journeyed to Portland Saturday returning Sunday.

Al. Acheson and H. Harold Christie were Vernonia visitors Monday afternoon.

Mrs. M. Ellis, Prop.

One of the things for which the new Ford car has already become famous is its exceptionally easy riding qualities over rough roads. Many factors contribute to this, especially the low ratio of unsprung weight to sprung weight, the flexible transverse springs, Houdaille hydraulic shock absorbers, etc., but perhaps none more than the so-called torque tube drive. This principle of taking the thrust from the rear axle was first introduced into automotive practice by the Ford Motor company on the Model T car and has later been adopted on many of the finest European and American cars including the Lincoln.

The torque tube is a metal housing surrounding the driving shaft. It takes the driving thrust from the rear axle and carries it to the universal joint housing, a point well forward on the chassis so that the car is really pulled rather than pushed over the road. This construction also relieves the rear spring of any function except that of supporting the load. This permits the leaves of the spring to be made flexible and shackled at both ends, resulting in free and normal action and an easy absorption of road shocks.

Radii rods join the torque tube at the forged steel housing of the universal joint adding strength and rigidity, keeping the rear wheels in perfect alignment, and further resulting in improved riding qualities.

Natal Families Enjoy Sleigh Ride Parties

Natal, Feb. 4.—Several Natal families enjoyed sleigh ride parties. Doris Merryfield, Natal school teacher, took part of her pupils out sleighing Saturday.

Reed Holding's family were Mist visitors Friday.

Noble Dunlap was a Vernonia caller on business Tuesday.

Several young folks surprised Olga Holstrom Sunday evening at her home on her birthday.

Grandpa McMullin is not improving and he is in bed all the time and is getting weaker.

Oliver Burris and Jake Neurer were callers at Grandpa McMullin's home Sunday.

Fritz Eiler was a Sunday caller at Reed Holding's home.

The Dave McMullin family moved to Vernonia Sunday to spend the day with Mrs. McMullin's parents, Mr. and Mrs. O.-E. Estes.

Mr. and Mrs. Jake Neurer and Mr. and Mrs. Lee Osburn enjoyed a radio concert Tuesday evening.

Frank Peterson and Richard Peterson called at Vernonia Friday.
