4-Door Sedan, 1929 Body by Fisher

PEOPLE don't go around telling their neighbors, "I'm progressive. I'm looking for finer things." Yet neighbors have ways and means of knowing. And one of their surest signs is the family automobile . . . That's why the New Pontiac Big Six offers so much to up-and-coming Americans. It represents progress. It constitutes an impressive step up from lower-priced transportation.

The Pontiac Big Six is a real innovation—a brand new car from beginning to end. It offers big car performance, luxury, comfort and style at prices which make no great drain on the purse.

Prices \$745 and up, f.o.b. factory, plus delivery charge. Bumpers and rear fender guards regular equipment at slight extra cost. Check Oakland-Pontiac delivered prices—they include lowest handling charges. General Motors Time Payment Plan available at minimum rate.
